

General Terms and Conditions

1 / Introduction

- 1) This Agreement is between you, the client, and us, Price Markets UK Ltd. In this Agreement we may refer to ourselves as “we”, “us”, “our”, “ours” or “ourselves”, as appropriate. Similarly, you, the client, may be referred to as “you”, “your”, “yours” or “yourself”, as appropriate.
- 2) We are authorised and regulated by the Financial Conduct Authority, the FCA, (registration number 725804). The FCA’s registered address is 25 The North Colonnade, London, E14 5HS, United Kingdom. Our registered address is 35 Ballards Lane, London N3 1XW, United Kingdom. Our contact details are: +44 20 3290 0088 and support@pricemarkets.com.
- 3) You should read all of the provisions in this Agreement.
- 4) Our Transactions carry a high level of risk and can result in losses that exceed your initial deposit. Our products are traded on a margin or leverage basis, a type of trading which carries a high degree of risk to your capital. Prices may change quickly and may result in significant losses. You should be prepared to lose all the monies you deposit with us and, unless you are a retail client, your losses may exceed the amount of your investment and leave you liable to pay further sums. Where we categorise you as a Retail Client, and only to the extent that it is required by Applicable Regulations, you cannot lose more than the funds available on your account with us, being the sum of (i) available funds on your account with us from Initial Margin and variation Margin; (ii) any profits in respect of your open Transactions; and (iii) any realised profits in respect of closed or part closed Transactions remaining on your account with us. In addition, where we categorise you as a Retail Client, and only to the extent that it is required by Applicable Regulations, we will close or part close your open Transactions in accordance with Term 13(2) or 15(3), as applicable.
- 5) Retail Clients are also given the required Negative Balance Protection, which ensures that any losses will not exceed the total available funds.
- 6) Our Transactions are not suitable for everyone.. A full explanation of the risks associated with our Transactions is set out in the Risk Warning Notice. You should ensure you fully understand such risks before entering into this Agreement or any Transaction with us.
- 7) Before you deal with us, you should read this Agreement carefully, including the Markets Section, Order Execution Policy, Conflicts Policy, Risk Warning Notice, Privacy Policy and any other documents that we have supplied or in the future do supply to you, as these may be amended from time to time.
- 8) Before you begin to trade with us, we will take all reasonable steps to provide you with a clear explanation of all Commission, Spread, Charges and Taxes (if any) for which you will be liable for as they will affect your trading net profits (if any) or increase your losses. This information can be found in the Markets Section on our website. You agree that you will read this information before trading with us. See Terms 2(7), 8, 9(16), 10(5), 10(7), 13(6), 16(2) and 16(3) for further details.

- 9) Nothing in this Agreement will exclude or restrict any duty or liability owed by us to you under the Financial Services and Markets Act 2000 (as amended) or the FCA Rules and these take precedence over the terms of this Agreement if there is any conflict between this Agreement and either the FCA Rules or the Financial Services and Markets Act 2000 (as amended).
- 10) This Agreement will come into effect on the date we acknowledge acceptance of your application and open your account, and, for any new versions thereafter, on the date we notify you and obtain your consent. This Agreement is supplied to you in English and we will communicate with you in English for the duration of this Agreement.
- 11) Price Markets reserves the right and the absolute discretion to amend and/or modify this Agreement at any time and any changes will apply as mentioned in Term 1 Subsection 9 above.
- 12) In this Agreement certain words and expressions have the meanings set out in Term 31 Definitions and Interpretation.

2 / The Services we Provide and Dealings Between You and Us

- 1) This Agreement sets out the basis on which we will enter into Transactions with you and governs each Transaction entered into or outstanding between you and us on or after the date that this Agreement comes into effect.
- 2) We will at all times deal with you in our capacity as your contracting counterparty. We will act as principal and not as agent on your behalf. We shall treat you as a Retail Client subject to the following:
 - a) if you satisfy the definition of Professional Client or Eligible Counterparty, we shall notify you that we will treat you as such;
 - b) you may request a different client categorisation from the one we have allocated to you, but be aware that we may decline such a request. If you do request a different categorisation and we agree to such a request, you may lose the protection afforded by certain FCA Rules; and
 - c) if we elect to treat you, or you request to be treated, as an Eligible Counterparty, the terms of this Agreement will be supplemented and modified by the Supplementary Schedule of Conditions for Eligible Counterparties, by which you hereby agree to be bound.
- 3) You will open each Transaction with us as principal and not as agent for any undisclosed person. This means that unless we have otherwise agreed in writing, we will treat you as our client for all purposes and you will be responsible for performing your obligations under each Transaction entered into by you, whether you are dealing with us directly or through an agent. If you act in connection with or on behalf of someone else, whether or not you identify that person to us, we will not accept that person as an indirect client of ours and we will accept no obligation to them unless otherwise specifically agreed in writing.
- 4) Dealings with you will be carried out by us on a non-advised basis (i.e., an 'execution-only' basis) and you agree that, unless otherwise provided in this Agreement, we are under no obligation:

- a) to satisfy ourselves as to the suitability of any Transaction for you;
 - b) to monitor or advise you on the status of any Transaction;
 - c) to make Margin calls; or
 - d) (except in the case where the Applicable Regulations require) to close any Transaction that you have opened, notwithstanding that previously we may have taken such action in relation to that Transaction or any other.
- 5) We are not providing you with any investment, legal, regulatory or other form of advice. You may wish to seek independent advice in relation to any Transaction you propose to enter into under this Agreement. You are required to rely on your own judgement (with or without the assistance of an advisor) in entering into, or refraining from entering into, Transactions. You are not entitled to ask us to provide you with investment advice relating to a Transaction or to make any statement of opinion to encourage you to open a particular Transaction.
- 6) We may, at our absolute discretion, provide information:
- a) in relation to any Transaction about which you have enquired, particularly regarding procedures and risks attaching to that Transaction and ways of minimising risk; and
 - b) by way of factual market information, however, we will be under no obligation to disclose such information to you and in the event of us supplying such information it will not constitute investment advice. If, notwithstanding the fact that dealings between you and us are on a non-advised basis (i.e., an 'execution-only' basis), one of our employees nevertheless makes a statement of opinion (whether in response to your request or otherwise) regarding any Instrument or Transaction, you agree that it is not reasonable for you to, nor will you be entitled to, rely on such statement as, and that it will not constitute, investment advice.
- 7) You acknowledge that the Markets Section that apply at the time when you open or close a Transaction will be those displayed on our website(s), which may be updated from time to time.
- 8) Your trading will not create any rights of ownership or otherwise in any Underlying Market. We will not transfer any Underlying Market or any rights in it to you.
- 9) Whether or not you and we have entered this Agreement by distance means, you are not entitled to cancel this Agreement (but you can terminate it as set out in Term 27(3)).
- 10) You must open an account with us before we will accept any of your Transactions. You must complete and submit to us an Application Form either electronically, or on the printable form available via the Website. All mandatory sections must be filled out and any information supplied must be true and correct to the best of your knowledge. Any incorrect or unclear information supplied may result in either an outright rejection of the Application Form or a delay in the opening of your account.
- 11) After you fill in and submit the Application Form together with all the required identification documentation required by us for our own internal checks (e.g. valid Passport and a recent Utility Bill), we will send you a notice informing you whether you have been accepted as a Client of the Company. It is understood that we are not to be required (and may be unable) to accept a person as our Client until all documentation we require has been received by us, properly and fully completed by such person and all internal Company checks (including without limitation anti-money laundering checks, appropriateness

tests as the case may be) have been duly satisfied. It is further understood that we reserve the right to impose additional due diligence requirements to accept Clients residing in certain countries.

- 12) You authorise us to make such searches as we see fit to certify that the information that you have supplied in, or in connection with, your Application Form is complete and accurate.
- 13) The Company shall seek information from you regarding your knowledge, experience in the investment field relevant to the specific type of service or Financial Instrument offered or demanded, ability to bear losses and risk tolerance, so as to enable the Company to assess whether the client falls within the Company's/ product's positive target market and whether the service or Financial Instrument is appropriate for the Client. Where the Client or potential Client elects not to provide the information regarding his knowledge, experience, ability to bear losses and risk tolerance or where he provides insufficient information regarding his knowledge, experience, ability to bear losses and risk tolerance, the Company will not be able to determine whether the service or Financial Instrument is appropriate for him. The Company shall assume that information about his knowledge, experience, ability to bear losses and risk tolerance provided from the Client to the Company is accurate and complete and the Company shall have no responsibility to the Client if such information is incomplete or misleading or changes or becomes inaccurate and the Company will be deemed to have performed its obligations.
- 14) We may make periodic checks of your details to verify that the details supplied by you have not changed. However, you must immediately inform us in writing as to any material change in your financial circumstances or any change to the information given on your Application Form (including change of employment, address, contact details and email).
- 15) We are not obliged to open an account for any applicant and may refuse any application for any reason (without providing a reason to the applicant).
- 16) We will take all sufficient steps to provide you with best execution in accordance with the FCA Rules and our Order Execution Policy when we execute Transactions on your behalf. The arrangements we put in place to give you best execution are summarised in our Order Execution Policy, which is provided on our website. Unless you notify us to the contrary, you will be deemed to consent to our Order Execution Policy when this Agreement comes into effect. If you do not consent, we reserve the right to refuse to provide our services to you. We may amend our Order Execution Policy from time to time and may notify you of any material amendments by giving written notice or posting them on our website or on one of our Electronic Trading Services.
- 17) We offer different types of accounts with different features (for example different Margining procedures, different Margin rates, different trading limits and different risk protection features). Depending on your knowledge and experience and the type of Transactions you generally place with us, some of these account types may not be available to you. We reserve the right to convert your account into a different account type if required by Applicable Regulations or if, acting reasonably, we determine that a different type of account is more appropriate for you, more appropriate in the market circumstances or our risk appetite changes in relation to offering that account type. We also reserve the right to change the features and eligibility criteria of our accounts at any time and we will provide prior notification of such changes on our website, by email or on one of our Electronic Trading Services.
- 18) From time to time, we may make additional account features, products and services or specific types of Transactions available to you. You will be notified in writing if these account features, products or services are subject to additional terms. Any additional terms applying to a particular account feature, product or service will be effective and binding on you from the date that you first enter into a Transaction or use the service governed by those terms.
- 19) If you receive other services from us under a different agreement, you must not assume that we use any information collected in relation to any other service for the purposes of the services we provide to you under this Agreement. Likewise, you must not assume that we use information we receive from you in relation to

the services we provide under this Agreement when we provide any other service to you under a different agreement. Notwithstanding this, we may, in our absolute discretion, use such information.

3 / Conflicts of Interest

- 1) You acknowledge that we and our Associated Companies provide a diverse range of financial services to a broad range of clients and counterparties and circumstances may arise in which we, our Associated Companies, or a Relevant Person may have a material interest in a Transaction with or for you or where a conflict of interest may arise between your interests and those of other clients or counterparties or of ourselves, our Associated Companies or a Relevant Person.
- 2) We are required by law to take all appropriate steps to identify conflicts of interests between ourselves, our Associated Companies and Relevant Persons and our clients, or between one client and another, that arise in the course of providing our investment services. The following are examples of such material interests and conflicts of interests:
 - a) we may effect or arrange for the effecting of a Transaction with you or on your behalf in connection with which we, our Associated Companies or a Relevant Person may have other direct or indirect material interests;
 - b) we may execute hedging transactions prior to (i.e. in anticipation of) or following receipt from you of a request, or information concerning a contemplated request, to open or close a Transaction. This is in order to manage our risk in relation to Transaction(s) you are entering into or contemplating, all of which may impact on the price you pay or receive in relation to such Transaction(s). Any profits generated by such hedging may be retained by us or an Associated Company without reference to you;
 - c) we may match your Transaction with that of another client by acting on its behalf as well as yours;
 - d) subject to the FCA Rules, we may pay to and accept from third parties (and not be liable to account to you) benefits, commissions or remunerations which are paid or received as a result of Transactions conducted by you;
 - e) a Relevant Person may make a market in Transactions which you enter into under this Agreement;
 - f) a Relevant Person may deal in the Underlying Market to which your Transactions relate as principal of someone else; and
 - g) a Relevant Person may give investment advice or provide other services to another client about or concerning the Underlying Market in relation to which you enter a Transaction.
- 3) We operate a policy of independence which requires our employees to act in your best interests and to disregard any conflicts of interests in providing our services to you. In addition, we have in place organisational and administrative controls to manage the conflicts of interests identified above such that we can be reasonably confident that risks of damage to clients as a result of any conflict will be prevented. These organisational and administrative controls are set out in our Conflicts Policy, a summary of which (our Conflicts Policy) is available on our website or by post on request.

- 4) Other than the general circumstances set out in Term 3(2) above, we are not under an obligation to disclose that we, our Associated Companies or Relevant Persons have a material interest in a particular Transaction with or for you, or that in a particular circumstance a conflict of interest exists, provided we have managed such conflicts in accordance with our Conflicts Policy. Where we do not consider that the arrangements under our Conflicts Policy are sufficient to manage any particular conflict, then as a last resort, we will inform you of the nature of the conflict and any steps taken to mitigate the risk arising from such conflict, so that you can decide how to proceed. We are not under any obligation to account to you for any profit, commission or remuneration made or received from or by reason of Transactions or circumstances in which we, our Associated Companies or a Relevant Person has a material interest or where in particular circumstances a conflict of interest may exist, provided that we have previously disclosed to you, and you have consented to the provision of services to you, despite the presence of such conflict.

4 / Providing a Quote and Entering into Transactions

- 1) You may request a quote to open a Transaction or to close all or any part of a Transaction at any time during our normal hours of trading for the Instrument in respect of which you wish to open or close the Transaction. Outside those hours, we will be under no obligation to but may, at our absolute discretion, provide a quote and accept and act on your offer to open or close a Transaction. We may notify you of certain Instruments in respect of which we will not quote, restrictions on the amount for which we will quote, or other conditions that may apply to our quote, but any such notification will not be binding on us.
- 2) Upon your request, in accordance with Terms 4(1) and 4(4), we will quote a higher and lower figure for each Transaction (“our bid and offer prices”). These figures will be based on either the bid and offer prices in the Underlying Market (“Commission Transaction”) or our own bid and offer prices (“Spread Transaction”). Details may be found in the Markets Section or may be obtained from one of our employees on request.
- 3) You acknowledge that both our Spread Charge (being our charge to you) and Market Spread (where there is an Underlying Market) can widen significantly in some circumstances, that they may not be the same size as in the Markets Section and that there is no limit on how large they may be. You acknowledge that when you close a Transaction, the Spread may be larger or smaller than the Spread when the Transaction was opened. For Transactions transacted when the Underlying Market is closed or in respect of Transactions where there is no Underlying Market, the figures that we quote will reflect what we believe the market price in an Instrument is at that time. You acknowledge that such figures will be set by us at our discretion.
- 4) If we choose to provide a quote, we may provide a quote either orally by telephone or electronically via one of our Electronic Trading Services or via our online chat or by such other means as we may from time to time notify to you. Our provision of a quote to you does not constitute an offer to open or close a Transaction at those levels. A Transaction will be initiated by:
 - a) you offering to open or close a Transaction in respect of a specified Instrument at the level quoted by us; or
 - b) you placing an Order to open or close a Transaction in respect of a specified Instrument at a level specified by you in that Order and that Order being triggered in accordance with the terms of that order type.

- 5) Subject to Term 4(13), when you offer to open or close a Transaction in respect of a specified Instrument at the level quoted by us, we may, acting reasonably, accept or reject your offer at any time until the Transaction has been executed or we have acknowledged that your offer has been withdrawn.
- 6) A Transaction will be opened or, as the case may be, closed only when your offer has been received and accepted by us. Our acceptance of an offer to open or close a Transaction, and thus the execution of the Transaction, will be evidenced by our confirmation of its terms to you.
- 7) If we become aware that any of the factors set out in Term 4(8) are not satisfied at the time you offer to open or close a Transaction, we reserve the right to reject your offer. If we have, nevertheless, already opened or closed a Transaction prior to becoming aware that a factor set out in Term 4(8) has not been met we may, at our absolute discretion, treat such a Transaction as void from the outset, close it at our then prevailing price or allow it to remain open. You acknowledge that if we allow the Transaction to remain open this may result in you incurring losses. Notwithstanding the existence of a factor set out in Term 4(8), we may allow you to open or, as the case may be, close the Transaction in which case you will be bound by the opening or closing of such Transaction.
- 8) The factors referred to in Term 4(7) include, but are not limited to, the following:
 - a) the quote must be obtained from us as set out in Term 4(4);
 - b) the quote must not be expressed as being given on an 'indicative only' or similar basis;
 - c) the quote must not be Manifestly Erroneous;
 - d) your offer to open or close the Transaction, and our acceptance of your offer, must be given while the quote is still valid;
 - e) the telephone conversation or Electronic Conversation in which you offer to open or close the Transaction must not be terminated before we have received and accepted your offer;
 - f) when your offer to open or close a Transaction is not for a specified number of shares, contracts or other units that constitute the underlying Instrument;
 - g) when you offer to open a Transaction, the number of shares, contracts or other units in respect of which the Transaction is to be opened is neither smaller than the Minimum Size nor larger than the Normal Market Size;
 - h) when you offer to close part but not all of an open Transaction both the part of the Transaction that you offer to close and the part that would remain open if we accepted your offer is not smaller than the Minimum Size;
 - i) when you offer to open or close any Transaction, the opening or closing of the Transaction does not result in your exceeding any credit or other limit placed on your dealings;
 - j) when you offer to open a Transaction an Event of Default must not have occurred in respect of you, nor must you have acted in such a way as to trigger an Event of Default; or
 - k) a Force Majeure event must not have occurred.

- 9) Each Transaction opened or closed by you will be valid and binding on you notwithstanding that the opening or closing of the Transaction may have exceeded any credit or other limit applicable to you or in respect of your dealings with us including limits we are required to apply to your dealings with us by Applicable Regulations. A Transaction will be valid and binding on you regardless of it being opened or closed as a result of any inaccuracy or mistake by you.
- 10) We reserve the right to refuse any offer to open or close a Transaction larger than the Normal Market Size. Our quotation for a Transaction equal to or greater than Normal Market Size is not guaranteed to be within any specific percentage of any Underlying Market or related market quotation and our acceptance of your offer may be subject to special conditions and requirements that we will advise to you at the time we accept your offer. We will inform you of the Normal Market Size for a particular Instrument on request.
- 11) If, before your offer to open or close a Transaction is accepted by us, our quote moves to your advantage (for example, if the price goes down as you buy or the price goes up as you sell) you agree that we may (but do not have to) pass such price improvement on to you. The effect of such action being that the level at which you offer to open or close a Transaction will, upon acceptance by us, be altered to the more favourable price. You acknowledge that it is in your best interests for us to alter the level of your offer in the manner contemplated in this Term and you agree that any offer altered in accordance with this Term, once accepted by us, results in a fully binding agreement between us. It is at our absolute discretion as to when we will pass on a price improvement to you, but you should note that we will generally only pass on a price improvement when the market you are trading is volatile. You should also note that we will only pass on a price improvement within allowable limits, and we reserve our right set out in Term 4(5) to reject any offer by you to open or close a Transaction. For the avoidance of doubt, this Term does not permit us to alter your offer price if to do so would result in your opening or closing (as the case may be) a Transaction at a less favourable price than your offer.
- 12) Where an Instrument trades on multiple Underlying Markets, one of which is the primary Underlying Market, you agree that we may but are not required to base our bid and offer prices on the aggregate bid and offer prices in the Underlying Markets.
- 13) You agree that our bid and offer prices are provided to you solely for the purpose of you entering into Transactions with us and that you shall not use or rely on our bid and offer prices for any other purpose.

5 / Opening a Transaction

- 1) You will open a Transaction by 'buying' or 'selling'. In this Agreement a Transaction that is opened by 'buying' is referred to as a "Buy" and may also, in our dealings with you, be referred to as 'long' or 'long position'; a Transaction that is opened by 'selling' is referred to as a "Sell" and may also, in our dealings with you, be referred to as 'short' or 'short position'.
- 2) Subject to Term 4(11), when you open a Buy, the Opening Level will be the higher figure quoted by us for the Transaction and when you open a Sell, the Opening Level will be the lower figure quoted by us for the Transaction. This will not be the case when:

- a) your opening level is improved in accordance with Term 4(11), where your opening level will be the more favourable price; and
 - b) a Transaction is initiated pursuant to an Order, where your opening level will be in accordance with the parameters set out in that Order and the terms of that Order.
- 3) Unless we agree otherwise, all sums payable by you pursuant to Term 8(2) upon opening are due immediately on entering into the Transaction and must be paid in accordance with Term 15 upon the Opening Level of your Transaction being determined by us.

6 / Force Open

FORCE OPEN

- 1) You can instruct us to Force Open a Transaction against an existing open Transaction. Where we accept your offer to open the second Transaction without offsetting it against the existing open Transaction, two Transactions will result and the existing open Transaction will remain unaltered by the second Transaction.
- 2) Where you have opened a Buy in respect of a particular Instrument and you subsequently open a Sell in respect of the same Instrument, including by an Order, at a time when the Buy remains open, then unless you instruct us to the contrary (for example, by way of a Force Open, if accepted by us):
 - a) if the size of the Sell order is less than the size of the Buy, we will treat the offer to sell as an offer to partly close the Buy to the extent of the size of the Sell order;
 - b) if the size of the Sell order is the same as the size of the Buy, we will treat the offer to sell as an offer to close the Buy entirely;
 - c) if the size of the Sell order exceeds the size of the Buy, we will treat the offer to sell as an offer to close the Buy entirely and open a Sell position equal to the amount of such excess.
- 3) Where you have opened a Sell in respect of a particular Instrument and you subsequently open a Buy in respect of the same Instrument, including by an Order, at a time when the Sell remains open, then unless you instruct us to the contrary (for example, by way of a Force Open, if accepted by us):
 - a) if the size of the Buy order is less than the size of the Sell we will treat the offer to buy as an offer to partly close the Sell to the extent of the size of the Buy order;
 - b) if the size of the Buy order is the same as the size of the Sell we will treat the offer to buy as an offer to close the Sell entirely;
 - c) if the size of the Buy order exceeds the size of the Sell we will treat the offer to buy as an offer to close the Sell entirely and open a Buy position equal to the amount of such excess.

7 / Closing a Transaction

UNDATED TRANSACTIONS

- 1) Subject to this Agreement and any requirement we may specify in relation to Linked Transactions, you may close an open Undated Transaction or any part of such open Undated Transaction at any time.
- 2) Subject to Term 4(11), when you close an Undated Transaction, the Closing Level will be, if you are closing an Undated Transaction that is a Buy, the lower figure then quoted by us and, if you are closing an Undated Transaction that is a Sell, the higher figure then quoted by us. This will not be the case when:
 - a) your closing level is improved in accordance with Term 4(11), where your closing level will be the more favourable price; and
 - b) a Transaction is initiated pursuant to an Order, where your closing level will be in accordance with the parameters set out in that Order and the terms of that Order.

EXPIRY TRANSACTIONS

- 3) Subject to this Agreement and any requirement we may specify in relation to Linked Transactions, you may close an open Expiry Transaction or any part of such open Expiry Transaction at any time prior to the Last Dealing Time for that Instrument.
- 4) Details of the applicable Last Dealing Time for each Instrument will normally be available in the Markets Section and may also be obtained from one of our employees on request. It is your responsibility to make yourself aware of the Last Dealing Time or, as the case may be, the expiry time for a particular product.
- 5) Subject to Term 4(11), when you close an Expiry Transaction prior to the Last Dealing Time for the Instrument, the Closing Level will, if the Transaction is a Buy, be the lower figure then quoted by us and if the Transaction is a Sell, the higher figure then quoted by us. This will not be the case when:
 - a) your closing level is improved in accordance with Term 4(11), where your closing level will be the more favourable price; and
 - b) a Transaction is initiated pursuant to an Order, where your closing level will be in accordance with the parameters set out in that Order and the terms of that Order.

EXPIRY TRANSACTIONS ROLLOVER

- 6) For Expiry Transactions that are able to be rolled over, we will automatically roll them over to the next contract period unless you opt out of this in respect of a specific Expiry Transaction or in respect of all Expiry Transactions on your account now or in the future. We will make it clear on our website or in our Markets Section which of our Expiry Transactions are able to be rolled over.
- 7) Where we do effect a rollover, the original Expiry Transaction will be closed at or just prior to the Last Dealing Time and become due for settlement and a new Expiry Transaction will be created; such closing and opening trades will be on our normal terms agreed with you.

- 8) You acknowledge that it is your responsibility to make yourself aware of the next applicable contract period for a Transaction and that effecting the rollover of a Transaction may result in you crystallising losses on your account. We reserve the right to refuse to rollover a Transaction or Transactions, despite any instruction you have given us, if we determine, acting reasonably, that to effect a rollover would result in you exceeding any credit or other limit placed on your dealings with us.
- 9) Notwithstanding that you have opted out of automatically rolling over an Expiry Transaction into the next period, where an Expiry Transaction in respect of an Instrument is in excess of the Rollover Size, or where any number of such Expiry Transactions are together in excess of the Rollover Size, and where such Expiry Transaction(s) has not already been closed prior to the Last Dealing Time, we reserve the right to roll over the Expiry Transaction(s) to the next contract period where we reasonably believe it is in your best interests and/or the best interests of our clients as a whole to do so. If we choose to roll over your Transaction(s) in this manner, we will attempt to contact you ahead of the Last Dealing Time, but for the avoidance of doubt we may roll your Transaction(s) even if we have not contacted you.
- 10) If you do not close an Expiry Transaction in respect of an Instrument on or before the Last Dealing Time and you have opted out of automatically rolling over that Expiry Transaction to the next contract period then, subject to Term 7(9), we will close your Expiry Transaction as soon as we have ascertained the Closing Level of the Expiry Transaction. The Closing Level of the Expiry Transaction will be (a) the last traded price at or prior to the close or the applicable official closing quotation or value in the relevant Underlying Market as reported by the relevant Exchange, errors and omissions excluded; plus or, as the case may be, minus (b) any Spread or Commission that we apply when such an Expiry Transaction is closed. Details of the Spread or Commission that we apply when a particular Expiry Transaction is closed are set out in the Markets Section and are available on request. You acknowledge that it is your responsibility to make yourself aware of the Last Dealing Time and of any Spread or Commission that we may apply when you close an Expiry Transaction.
- 11) Our additional rights to void and/or close one or more of your Transactions in specific circumstances are set out in Terms 4(8), 9(3), 10, 11, 14(3), 14(5), 16, 19(4), 19(5), 20, 22, 23, 24 and 25(2).
- 12) Subject to Applicable Regulations, we reserve the right to aggregate the instructions we receive from our clients to close Transactions. Aggregation means that we may combine your instruction with those of other clients of ours for execution as a single order. We may combine your instruction to close with those of other clients if we reasonably believe that this is in the overall best interests of our clients as a whole. However, on occasions, aggregation may result in you obtaining a less favourable price once your instruction to close has been executed. You acknowledge and agree that we shall not have any liability to you as a result of any such less favourable price being obtained.
- 13) Upon closing a Transaction, and subject to any applicable adjustments for interest and dividends in accordance with this Agreement and any Applicable Regulations:
 - a) you will pay us the difference between the Opening Level of the Transaction and Closing Level of the Transaction multiplied by the number of units of the Instrument that comprise the Transaction if the Transaction is:
 - i) a Sell and the Closing Level of the Transaction is higher than the Opening Level of the Transaction; or
 - ii) a Buy and the Closing Level of the Transaction is lower than the Opening Level of the Transaction; and

- b) we will pay you the difference between the Opening Level of the Transaction and the Closing Level of the Transaction multiplied by the number of units of the Instrument that comprise the Transaction if the Transaction is:
- i) a Sell and the Closing Level of the Transaction is lower than the Opening Level of the Transaction; or
 - ii) a Buy and the Closing Level of the Transaction is higher than the Opening Level of the Transaction.
- 14) Unless we agree otherwise, all sums payable by you pursuant to Term 7(13)(a) and Term 8(2) are due immediately on entering into the Transaction and must be paid in accordance with Term 15 upon the Closing Level of your Transaction being determined by us. Sums payable by us pursuant to Term 7(13)(b) will be settled in accordance with Term 15(5).
- 15) We reserve the right to alter your Closing Level in accordance with Term 4(11).
- 16) You acknowledge that when expressly and formally agreed in writing by you and us (by a director of ours):
- a) in respect of a Buy, at the end of the contract period (for Expiry Transactions that you have elected not to automatically roll over to the next contract period) or on the date you choose to close the Transaction (for Undated Transaction) you will take from us delivery of, and make to us payment for, the Instrument in respect of which you have opened the Buy;
 - b) in respect of a Sell, at the end of the contract period (for Expiry Transactions that you have elected not to automatically roll over to the next contract period) or on the date you choose to close the Transaction (for Undated Transaction) you will deliver to us the Instrument in respect of which you have opened the Sell.

8 / Fees and Charges

- 1) When you open and close a Spread Transaction, the difference between our bid and offer prices is referred to as our Spread and will comprise the Market Spread (where there is an Underlying Market) and our Spread Charge (being our charge to you). Unless we notify you to the contrary, you will not be charged any Commission on Spread Transactions. Details of these charges may be found in the Markets Section section of our website and may also be obtained from one of our employees on request.
- 2) When you open and close a Commission Transaction, you will pay us Commission ("Commission") that is calculated as a percentage of the notional value of the opening or closing Transaction (as applicable) or as an amount per equivalent Instrument or Instruments on the Underlying Market or on any other basis agreed between ourselves in writing. Our Commission terms will be notified in writing to you, however, in the event that we do not notify you of the commission terms, we will charge the standard commission rate as published on the Markets Section section of our website or, if no rate is published, 0.2% of the notional value of the opening or closing Transaction (as applicable).
- 3) In addition to Commission and Spread, other applicable Charges may exist in relation to opening and closing Transactions with us depending on the Instrument and the Underlying Market (for example, the charges set out in Term 10(5) and Term 10(7)). Certain types of Transactions will be subject to a daily funding

charge. Further details of these Charges may be found in the Markets Section or may be obtained from one of our employees on request. Any Charge will be your responsibility and where appropriate will be deducted from your account.

- 4) You must pay, or reimburse, us for any Taxes applicable, now or in the future, to your Transactions or on any Commission, Spread or Charges payable by you pursuant to this Agreement.
- 5) We may charge you for the provision by us to you of Electronic Trading Services, cloud technology, market data or any other account feature or such other Charges as we advise and disclose to you separately from time to time.
- 6) Under these Terms and Conditions, Price Markets, in its absolute discretion reserves the right to create a policy regarding dormant and/or inactive accounts. A handling fee of £5 (regardless of the currency the account is created with) will be applied per month on the account if its dormant/inactive and we reserve the right to close the trading account upon and/or after six (6) consecutive months of inactivity. An account will be considered dormant/inactive if there has been no trading or any other transaction in a period of six (6) consecutive months. Any account that has a balance of zero (0) and is considered dormant/inactive will not be charged the £5 and Price Markets will reserve the right to close the account upon completion of the sixth (6th) consecutive month of being dormant/inactive.

- 17) In addition to the above, in respect of certain types of Exchange data that you elect to receive via an Electronic Trading Service, you hereby agree to any terms and conditions relating to the redistribution and use of such data that we may provide to you from time to time.
- 18) Certain Exchanges require that their Exchange data will not be viewed or accessed by you on more than one System at any one time. You warrant and represent that you will comply with any restrictions that we apply in relation to your access of any Electronic Trading Service and ability to view Exchange data from time to time.

THIRD PARTY ELECTRONIC TRADING SERVICES

- 19) We may make available to you Electronic Trading Services provided by third parties (e.g. MT4, Currenex and FastMatch) ("Third Party Electronic Trading Services"). It is your sole responsibility to understand and evaluate the functionality of any such Third Party Electronic Trading Services before agreeing to download or access them or enter into Transactions with us using any Third Party Electronic Trading Services. Contact one of our employees to find out if a service is a Third Party Electronic Trading Service.

- 20) We do not control, endorse or vouch for the accuracy or completeness of any Third Party Electronic Trading Services or their suitability to you. Third Party Electronic Trading Services are provided to you on an 'as is' basis, without warranty or guarantee of any kind, express or implied, including but not limited to the warranties of merchantability and fitness for a particular purpose.

- 22) Certain Third Party Electronic Trading Services run on pricing data provided by us to a third party software administrator (for example MT4). We will use reasonable endeavours to ensure an acceptable service but you accept that the price data displayed in any such Third Party Electronic Trading Services may be delayed and that we do not guarantee the accuracy or completeness of the data, either current or historical, and that we do not guarantee that the service will be uninterrupted. Furthermore you acknowledge and agree that in the event of any discrepancy between the data (pricing or otherwise) in the Third Party Electronic Trading Service and our other Electronic Trading Services, the data in our other Electronic Trading Services will prevail.
- 23) You use any Third Party Electronic Trading Services at your own risk. In no event will we be held liable for any claim, damages or other liability, including loss of funds, indirect losses (such as loss of profits), data or service interruptions, whether in an action of contract, tort or otherwise, arising from, out of or in connection with the use, operation, performance and/or error or malfunction of any Third Party Electronic Trading Service and/or any services provided by any Third Party Electronic Trading Service provider other than as a result of our fraud, wilful default or negligence.

10 / Dealing Procedures and Reporting

AGENTS

- 1) In circumstances where it may be necessary or desirable to authorise someone to manage your account, you do so at your own risk. You and the person you wish to authorise to operate your account will be required to submit a signed form which is a type of Power of Attorney document, authorising and appointing the Agent to operate your account.
- 2) You agree that you will be held fully responsible for all actions of your Agent. We will be entitled to accept all instructions from your Agent until that authority is revoked. If you wish to revoke or amend the authorisation of your Agent, you must provide written notice of such intention to us. You acknowledge that you will remain liable for all instructions given to us prior to the revocation/variation being effective, and that you will be responsible for any losses which may arise on any transactions which are open at such time. In any event, we may, and without notice to you, refuse to accept instructions from any Agent and to treat the appointment of any such Agent as terminated.
- 3) Without prejudice to our right to rely and act on communications from your agent under Term 13(4), we will not be under any duty to open or close any Transaction or accept and act in accordance with any communication if we reasonably believe that such agent may be acting in excess of its authority. In the event that we have opened a Transaction before coming to such a belief we may, at our absolute discretion, close such Transaction at our then prevailing price, treat that Transaction as having been void from the outset or allow it to remain open. You acknowledge that if we allow the Transaction to remain open this may result in you incurring losses. .

INFRINGEMENT OF APPLICABLE REGULATIONS

- 1) We will not be under any duty to open or close any Transaction or to remit any money on your account to you if we reasonably believe that to do so would infringe any Applicable Regulation or Term of this Agreement. In the event that we have opened a Transaction before coming to such a belief we may, at our absolute discretion, either close such a Transaction at the then prevailing bid price (in the case of Buy Transactions) or offer price (in the case of Sell Transactions) or treat that Transaction as having been void from the outset.
- 2) You agree that we may take any action in relation to Transactions or money on your account that we consider, acting reasonably, appropriate after receiving instructions from a relevant regulatory authority or to comply with any Applicable Regulation or Term of this Agreement.

SITUATIONS NOT COVERED IN THIS AGREEMENT

- 1) In the event that a situation arises that is not covered under this Agreement or the Markets Section, we will resolve the matter on the basis of good faith and fairness and, where appropriate, by taking such action as is consistent with market practice and/or paying due regard to the treatment we receive from any hedging broker with which we have hedged our exposure to you arising from the Transaction in question.

BORROW CHARGES AND TRANSACTIONS BECOMING UN-BORROWABLE

- 1) All the positions which remain open overnight will be subject to rollover. All the positions which are opened or closed overnight may be subject to rollover. The positions will be rolled over by debiting or crediting the Client's Trading Account. Charges vary according to the Instrument and they may be depended on our brokers or liquidity providers. The charge may be changed by us at short notice or immediately. If you do not pay any charge that becomes payable after you have opened such a Transaction, or we are unable to continue to borrow that Instrument in the Underlying Market (and we give you notice to that effect), we will be entitled to close your Transaction in respect of that Instrument with immediate effect. You acknowledge that this may result in you incurring a loss on the Transaction.

AMERICAN DEPOSITORY RECEIPT AND GLOBAL DEPOSITORY RECEIPT CHARGES

- 1) If you have opened a Buy in relation to an Instrument that is an American Depository Receipt or a Global Depository Receipt, we reserve the right to pass on to you any annual depository service charges, or part thereof, incurred by us when hedging our exposure to you in relation to that Transaction. This charge will only be applied to long positions open on the record date for the particular underlying American Depository Receipt or Global Depository Receipt.

REGULATORY REPORTING

- 2) We may be obliged under Applicable Regulations to make public certain information regarding our Transactions with you. You acknowledge and agree that we are entitled to disclose such information and that such information held by us shall be our sole and exclusive property.
- 3) You agree to provide us with all information that we may reasonably request for the purpose of complying with our obligations under Applicable Regulations and that you consent for us to provide to any third party such information about you and your relationship with us pursuant to this Agreement (including but not limited to your

Transactions or money on your account) as we consider, acting reasonably, appropriate or as required to comply with any Applicable Regulation or Term of this Agreement.

- 4) If you are a legal entity, our Transactions with you may need to be reported under the EMIR Regulation on OTC Derivatives, Central Counterparties and Trade Repositories (648/2012). If they are required to be reported, you agree that we will generate the unique trade identifier in relation to each relevant Transaction. Please contact one of our employees for this information or visit our website.
- 5) If you are a legal entity, you agree that we may in certain circumstances obtain a Legal Entity Identifier (LEI) on your behalf. You agree that we may do so if we consider that it is necessary in order to allow you to enter into Transactions with us and that we may pass on to you any charge we incur to obtain a Legal Entity Identifier (LEI) on your behalf and to levy an administration charge to cover our costs in doing so. Please contact one of our employees for this information or visit our website.

11 / Manifest Error

- 1) We reserve the right to either void from the outset or amend the terms of any Transaction containing or based on any error that we reasonably believe to be obvious or palpable (a “Manifest Error” and any such Transaction a “Manifestly Erroneous Transaction”), without your consent. If, in our reasonable discretion, we choose to amend the terms of any such Manifestly Erroneous Transaction, the amended level will be such level as we reasonably believe would have been fair at the time the Transaction was entered into. In deciding whether an error is a Manifest Error we shall act reasonably and we may take into account any relevant information including, without limitation, the state of the Underlying Market at the time of the error or any error in, or lack of clarity of, any information source or pronouncement upon which we base our quoted prices. Any financial commitment that you have entered into or refrained from entering into in reliance on a Transaction with us will not be taken into account in deciding whether or not there has been a Manifest Error.
- 2) In the absence of our fraud, wilful default or negligence, we will not be liable to you for any loss, cost, claim, demand or expense following a Manifest Error (including where the Manifest Error is made by any information source, commentator or official on whom we reasonably rely) or in relation to a Manifestly Erroneous Transaction.
- 3) If a Manifest Error has occurred and we choose to exercise any of our rights under Term 11(1), and if you have received any monies from us in connection with the Manifest Error, you agree that those monies are due and payable to us and you agree to return an equal sum to us without delay.

12 / Orders

- 1) We may, at our absolute discretion, accept an Order from you. An Order is an offer to open or close a Transaction if the instructions specified by you in an Order are satisfied (such as if our price moves to, or beyond a level specified by you). If we accept an Order, we may be required by Applicable Regulations to close or part close a Transaction at the level required by Applicable Regulations (rather than the level set by you in an Order). Examples of Orders are:

- a) A Stop Order, which is an offer to deal if our quote becomes less favourable to you. A Stop Order is generally placed to provide some risk protection, for example in the event of your Transaction moving into loss, and can be used to either open or close a Transaction. Each Stop Order has a specific stop level, set by you. Your Stop Order will be triggered if our bid price (in the case of an Order to Sell) or our offer price (in the case of an Order to Buy) moves against you to a point that is at or beyond the level specified by you. Once a Stop Order is triggered we will, in accordance with Term 12(3) and subject to Term 12(4), open or as the case may be close a Transaction at a level that is the same or worse than your stop level. Where we categorise you as a Retail Client, Applicable Regulations may require us to apply limits to your dealings with us. Notwithstanding the specific stop level set by you, we may be required by Applicable Regulations to close or part close a Transaction prior to your Stop Order being triggered.
- b) A Trailing Stop, which is similar to a Stop Order, but it allows you to set a floating stop level that automatically moves when our quote moves in your favour. A Trailing Stop is triggered and executed in the same way as a Stop Order as set out in Term 12(3) and subject to Term 12(4). By using our Trailing Stop functionality, you acknowledge the following: (i) Trailing Stops are an automated tool that must be used with caution and must be supervised by you; and (ii) we do not guarantee to operate our Trailing Stop system on a continuous basis so there may be instances in which your stop level might not in fact move with our current quote for the relevant Instrument, for example: where our Trailing Stop functionality (i.e. the systems and technology that operate our Trailing Stops) is inactive; or where our current quote for the relevant Instrument is Manifestly Erroneous; or where there has been a large, short term price movement in our quote for the relevant Instrument that is unrepresentative of current Underlying Market conditions. Where we categorise you as a Retail Client, Applicable Regulations may require us to apply limits to your dealings with us. Notwithstanding the specific stop level set by you, we may be required by Applicable Regulations to close or part close a Transaction prior to your Trailing Stop being triggered.
- c) A Limit Order, which is an instruction to deal if our quote becomes more favourable to you. A 'take profit' Order is an Attached Limit Order. A Limit Order can be used to either open or close a Transaction. Each Limit Order has a specified limit, set by you. Your Limit Order will be triggered if our bid price (in the case of an Order to Sell) or our offer price (in the case of an order to Buy) moves in your favour to a point that is at or beyond your specified limit. Once a Limit Order is triggered we will, in accordance with Term 12(3) and subject to Term 12(4), seek to open or close a Transaction at a level that is the same or better than your limit. If we cannot do so because at the time we seek to execute your Order, our bid and offer price has become less favourable to you, your Limit Order will remain operational, waiting for prices to move again in your favour such that it is triggered.
- d) A Market Order, which is an instruction to deal now in a specified size at the best available price for that size. Market Orders are useful when you wish to deal but may be unable to deal in your desired size at the quoted bid and offer price. You do not have any control over what price your Market Order will be filled at. When you place a Market Order with us you acknowledge that such Market Order allows us to execute your Transaction at a price that is worse than our quoted bid and offer price at the time you place the Market Order. A Market Order is triggered as soon as it is accepted by us.
- e) A Partial Order, which is an instruction to deal now at the size specified by you or, if there is not sufficient liquidity at that size, in the largest size possible. A Partial Order is useful if you want to increase the likelihood of at least part of your Order being filled. If your Order is filled, the size of your Order may be less than the size specified by you. Partial Orders can be used in conjunction with other Orders. When you place a Partial Order with us you acknowledge that such Partial Order allows us to execute your Transaction in a size that is

smaller than the size specified by you. A Partial Order is triggered as soon as it is accepted by us.

- 2) Depending on Electronic Trading Services used, you may specify that an Order is to apply:
 - a) until the next close of business for the relevant Underlying Market (a 'day order'), which, for the avoidance of doubt, will include any overnight trading sessions on the Underlying Market. Please note that for Limit Orders placed on the phone, we will assume that you wish to place a 'day order' unless you specify some other duration; or
 - b) until a date and time specified by you (but such an Order may only be an Unattached Order and may only be placed in respect of a daily or quarterly Transaction); or
 - c) for an indefinite period (a "Good Till Cancelled Order" or "GTC Order"), which, for the avoidance of doubt, will include any overnight trading sessions on the Underlying Market on some Electronic Trading Services and not on some other, depending on Instrument traded.

We may, at our absolute discretion, accept standing Orders that will apply for some other specified duration. We may act on any such Order irrespective of the length of time for which the specified level in relation to that Order is reached or exceeded.

- 3) If your Order is triggered (as set out in Term 12(1) above), we will seek to open or close the Transaction to which your Order relates, acting in accordance with our duty of best execution. You acknowledge and agree that the time and level at which Orders are executed and the size of your Order will be determined by us, acting reasonably. In this regard:
 - a) we will seek to execute your Order within a reasonable time of your Order being triggered. Because there may be a manual element to our processing of Orders and because it is possible for a single sudden event to trigger a large number of Orders, you acknowledge and agree that what constitutes a 'reasonable time' may vary according to the size of your Order, the level of activity in the Underlying Market, and the number of Orders that have been triggered at the time your Order is triggered.
 - b) at the time we are seeking to execute your Order, we will have regard to the price that could be achieved in the Underlying Market for a similar order (including as to size).
- 4) By using our Orders, you expressly acknowledge and agree that:
 - a) it is your responsibility to understand how an Order operates before you place any such Order with us and that you will not place an Order unless you fully understand the terms and conditions attached to such Order. Details about how Orders work are available in the Markets Section or from one of our employees on request;
 - b) whether or not we accept an Order is at our absolute discretion. Not all Orders are available on all Transactions, nor on all Electronic Trading Services.
 - c) when you place and we accept an Order you are trading with us as principal and not dealing on the Underlying Market;
 - d) the triggering of your Order is linked to our bid and offer prices, not the bid and offer prices on the Underlying Market. Our bid and offer prices may differ from the bid and offer prices in the

Underlying Market. The effect of such is that your Order may be triggered even though: (i) our bid or offer, as the case may be, moved to or through the level of your Order for only a short period; and (ii) the Underlying Market never traded at the level of your Order;

- e) for the purposes of determining whether an Order has been triggered, we will be entitled (but not obliged), at our absolute discretion, to disregard any prices quoted by us during any pre-market, post-market or intra-day auction periods in the relevant Underlying Market, during any intra-day or other period of suspension in the relevant Underlying Market, or during any other period that in our reasonable opinion may give rise to short-term price spikes or other distortions;
 - f) following your Order being triggered, we do not guarantee that a Transaction will be opened or closed, nor do we guarantee that if opened or closed it will be done so at your specified size, level or limit;
 - g) subject to Applicable Regulations, we reserve the right both to work and to aggregate Orders. Working an Order may mean that your Order is executed in tranches at different prices, resulting in an aggregate opening or closing level for your Transaction that may differ both from your specified level and from the price that would have been attained if the Order had been executed in a single tranche. Aggregating an Order means that we combine your Order with the Orders of other clients of ours for execution as a single Order. We may do this only if we reasonably believe that this is in the overall best interests of clients as a whole. However, on occasions, aggregation may result in you obtaining a less favourable price in relation to any particular Order. You acknowledge and agree that we shall not, under any such circumstances, have any liability to you as a result of any such working or aggregation of your Orders.
- 5) The following sets out when and how GTC Orders will roll:
- a) all Attached GTC Orders relating to Expiry Transactions on quarterly or monthly markets will, where you have elected to roll over the Expiry Transaction into the next contract period, also be rolled over unless a specific instruction has been received by us prior to the rollover of the Transaction to cancel or amend the Order(s). Please note that when the Attached Order is rolled over it will also be adjusted to reflect the difference (i.e. any premium or discount) between the current level of the Instrument that is the subject of the old Order and the corresponding level of the Instrument that is the subject of the new Order;
 - b) all Unattached GTC Orders relating to proposed Expiry Transactions that expire on a quarterly or monthly basis will not roll over and will be cancelled.
- 6) You may, with our prior consent (and such consent will not be unreasonably withheld), cancel or amend the level of an Order at any time before our quote reaches or goes beyond the relevant level. However, once the level has been reached, you may not cancel or amend the Order unless we expressly agree to permit you to do so.
- 7) If you place an Attached Order then:
- a) if, when the Order is executed, it will be capable of closing or partly closing the Transaction to which the Attached Order relates, and you subsequently offer to close that Transaction prior to the level of the Attached Order being reached, we will treat that offer to close as a request to cancel the Attached Order. You acknowledge that it is your responsibility to inform us, when you close a Transaction, whether you wish any related un-triggered Attached Order(s) to remain valid, and that, unless otherwise agreed by us, any untriggered Attached Order(s) will be cancelled; and

- b) if the Transaction to which the Attached Order relates is only partially closed by you then the Attached Order will be adjusted to the size of the Transaction that remains open and will remain in full force and effect.
- 8) If we accept an Order and then an event takes place which means that it is no longer reasonable for us to act on that Order, we will be entitled to disregard or cancel your Order. If we disregard or cancel your Order then we shall not have any liability to you as a result of such action and we shall not re-enter that Order. Examples include but are not limited to:
- a) a change in the Applicable Regulations, so that the Order or the Transaction to which the Order relates is no longer in compliance with the Applicable Regulations;
 - b) a stock to which the Order relates becomes un-borrowable so that we are no longer able to hedge our exposure, or part of our exposure, to you;
 - c) for Orders relating to shares, an event takes place in respect of the company whose shares represent all or part of the subject matter of the Order, for example, a Corporate Event, dividend or the insolvency of the company; or
 - d) if we cease to offer the type of Transaction to which your Order relates.

13 / Communications

- 1) An offer to open or close a Transaction (or an Order) must be made by you, or on your behalf: orally, by telephone; via one of our Electronic Trading Services; via the online chat on our website (support@pricemarkets.com) or in such other manner as we may specify from time to time. If your usual mode of communicating with us is unavailable for any reason, you should attempt to use one of the other modes of acceptable communication specified above. For example, if you usually open and close Transactions via one of our Electronic Trading Services, but for some reason our Electronic Trading Services are not in operation, you should contact us via online chat or the telephone to open or close Transactions. Written offers to open or close a Transaction, including offers sent by email (including a secure email sent via one of our Electronic Trading Services), instant messaging such as Skype or WhatsApp or text message, will not be accepted or be effective for the purposes of this Agreement. Any communication that is not an offer to open or close a Transaction must be made by you, or on your behalf: orally, by telephone or in person; in writing, by email, post; or in such other manner as we may specify from time to time. If sent to us by post, a communication must be sent to our head office and, if sent to us by email, it must be sent to an email address currently designated by us for that particular purpose. Any such communication will only be deemed to have been received by us upon our actual receipt thereof.
- 2) We will generally not accept an offer to open or close a Transaction received other than in accordance with Term 13(1), but if we choose to do so we will not be responsible for any loss, damage or cost that you suffer or incur arising out of any error, delay or omission in us acting on such offer, or failing to act upon such offer.
- 3) If at any time you are unable, for whatever reason, to communicate with us, we do not receive any communication sent by you, or you do not receive any communication sent by us under this Agreement, we will not:
- a) be responsible for any loss, damage or cost suffered by you as a result of any act, error, delay or omission resulting therefrom where such loss, damage or cost is a result of your inability to open a Transaction; and

- b) except where your inability to communicate with us results from our fraud, wilful default or negligence, be responsible for any loss, damage or cost suffered by you as a result of any act, error, omission or delay resulting from such inability to communicate including without limitation, where such loss, damage or cost is a result of your inability to close a Transaction.
- 4) You acknowledge and agree that any communication transmitted by you or on your behalf is made at your risk and you authorise us to rely and act on, and treat as fully authorised and binding on you, any communication (whether or not in writing) that we reasonably believe to have been transmitted by you or on your behalf by any agent or intermediary who we reasonably believe, after collecting supporting documentation as per Section 10, to have been duly authorised by you.
- 5) You acknowledge and agree that we will rely on your account number and/or password and/or Security Details to identify you and you agree that you will not disclose these details to any person not duly authorised by you. If you suspect that your account number and/or password and/or Security Details has been learnt or may be used by any other person then you must notify us immediately.
- 6) You agree that we shall record any communications, electronic, by telephone, in person or otherwise, that we have with you in relation to this Agreement and that any recordings that we keep will be our sole property and you accept that they will constitute evidence of the communications between us. You agree that telephone conversations shall be recorded without the use of a warning tone or any other further notice.
- 7) In accordance with the Applicable Regulations, we will provide information about each Transaction that we open or, as the case may be, close for you by providing you with a Statement. If you elect to receive your Statements by post, we reserve the right to levy an administration charge.
- 8) You will be deemed to have acknowledged and agreed with the content of any Statement and the details of each Transaction set out in any Statement that we make available to you unless you notify us to the contrary in writing within two business days of the date on which you are deemed to have received it in accordance with Term 13(10) below.
- 9) Our failure to provide you with a Statement does not invalidate nor make voidable a Transaction that you and we have agreed and we have confirmed in accordance with Term 4(6), provided however that in the event that you believe you have opened or closed a Transaction but we have not provided you with a Statement in respect of that Transaction, any query in relation to the purported Transaction will not be entertained unless: (i) you notify us that you have not received such Statement within two business days of the date on which you ought to have received a Statement for the purported Transaction, and (ii) you can provide accurate details of the time and date of the purported Transaction and supporting evidence, to our reasonable satisfaction, of the purported Transaction.
- 10) We may communicate with you by telephone, letter, email or text message or by posting a message on one of our Electronic Trading Services and you consent to us telephoning you within Price Market's Business hours. We will use the address, phone or email address specified on your account opening form or such other address, phone or email address as you may subsequently notify to us or any email address allocated to you within our Electronic Trading Services. - 13) We are required by law to provide you with certain information about us, our services, our Transactions, our Commission, Spread, Charges and Taxes along with copies of our Order Execution Policy and Conflicts Policy. - 15) Although email, the internet, Electronic Trading Services and other forms of electronic communication are often a reliable way to communicate, no electronic communication is entirely reliable or always available. You acknowledge and accept that a failure or delay by you to receive any communication from us sent by email, text message or otherwise whether due to mechanical, software, computer, telecommunications or other electronic systems failure, does not in any way invalidate or otherwise prejudice that communication or any transaction to which it relates. We will not be liable to you for any loss or damage, howsoever caused, arising directly or indirectly out of a failure or delay by you or us to receive an email or other electronic communication. Further, you understand and accept that emails, text messages and other electronic communications we send to you may not be encrypted and therefore may not be secure.
- 16) You acknowledge the inherent risk that communications by electronic means may not reach their intended destination or may do so later than intended for reasons outside our control. You accept this risk and agree that a failure or delay by us to receive any offer or communication from you sent electronically, whether due to mechanical, software, computer, telecommunications or other electronic systems failure, does not in any way invalidate or otherwise prejudice that offer or communication or any transaction to which it relates. If, for any reason, we are unable to accept your offer electronically, we may, without obligation, provide you with further information advising you that your offer can be made by telephone as an alternative and we may endeavour to inform you of this.
- 17) In the event that you are granted access to our mobile dealing platform, then all use of such service will be subject both to this Agreement and to any supplemental mobile dealing terms posted on our website and amended from time to time.

14 / Margin

- 1) Upon opening a Transaction, you will be required to pay us the Margin for that Transaction, as calculated by us ("Initial Margin"). Note that the Initial Margin for certain Transactions, will be based on a percentage of the Contract Value of the Transaction and therefore the Initial Margin due for such Transactions will fluctuate in accordance with the Contract Value. Initial Margin is due and payable to us immediately upon opening the Transaction (and for Transactions that have a fluctuating Initial Margin based on a percentage of the Contract Value, immediately on opening the Transaction and thereafter immediately on any increase in Contract Value taking place) unless:
 - a) we have categorised you as a Professional Client or an Eligible Counterparty and we have expressly told you that you have an account type that allows for longer payment periods for Margin, in which case you must pay Margin in accordance with the payment periods that we have advised to you, provided always that any credit or other limits placed on your dealings with us are not exceeded;
 - b) we have categorised you as a Professional Client or an Eligible Counterparty and we have expressly agreed to reduce or waive all or part of the Margin that we would otherwise require you to pay us in respect of a Transaction. The period of such waiver or reduction may be temporary or may be in place until further notified. Any such waiver or reduction must be agreed in writing

(including by email) by a director (an "Authorised Employee") in order to be effective. Any such agreement does not limit, fetter or restrict our rights to seek further Margin from you in respect of the Transaction at any time thereafter; or

- c) we have categorised you as a Professional Client or an Eligible Counterparty and we agree otherwise (any such agreement must be made in writing (including by email), by an Authorised Employee in order to be effective), in which case you will be required to comply with such terms as are stated in such written agreement.
- 2) Where we have categorised you as a Professional Client or an Eligible Counterparty, you also have a variation Margin obligation to us to ensure that at all times during which you have open Transactions you ensure that your account balance, taking into account all realised and/or unrealised profits and losses ("P&L") on your account, is equal to at least the Initial Margin that we require you to have paid to us for all of your open Transactions. If there is any shortfall between your account balance (taking into account P&L) and your total Initial Margin requirement, you will be required to deposit additional funds into your account. It is noted that no additional payment obligation exists in relation to retail clients. These funds will be due and payable to us for our own account, immediately on your account balance (taking into account P&L) falling below your Initial Margin requirement unless:
- a) we have expressly told you that you have an account type that allows for longer payment periods for Margin, in which case you must pay Margin in accordance with the payment periods that we have advised to you, provided always that any credit or other limits placed on your dealings with us are not exceeded;
 - b) we have expressly agreed to reduce or waive all or part of the Margin that we would otherwise require you to pay us in respect of your Transaction(s). The period of such waiver or reduction may be temporary or may be in place until further notice. Any such waiver or reduction must be agreed by an Authorised Employee in writing (including by email) in order to be effective. Any such agreement does not limit, fetter or restrict our rights to seek further Margin from you in respect of the Transaction at any time thereafter;
 - c) we agree, by an Authorised Employee, otherwise in writing (including by email), in which case you will be required to comply with such terms as are stated in the written agreement; or
 - d) we have expressly extended you a credit limit, and you have sufficient credit to cover your Margin requirements and are in compliance with any other conditions that we have imposed on you. Importantly however, if at any time your credit facility is not sufficient to cover the Margin requirement on your open Transactions, you must immediately place additional funds on your account in order to fully cover the Margin required. Any credit limits extended to you will not act to restrict your losses and no limit should be deemed as the maximum amount you could lose.
- 3) Where we have categorised you as a Retail Client and only to the extent required by Applicable Regulations, we may close or part close any open Transactions on your account if your account balance, taking into account P&L, is equal to or less than 50% of the total Initial Margin requirement for your open Transactions.
- 4) Details of Margin amounts paid and owing by you are available by logging on to our Electronic Trading Services or by telephoning one of our employees. You acknowledge: (a) that it is your responsibility to be aware of, and further

that you agree to pay, the Margin required at all times for all Transactions that you open with us; (b) that your obligation to pay Margin will exist whether or not we contact you regarding an outstanding Margin obligation; and (c) that your failure to pay any Margin required in relation to your Transactions will be regarded as an Event of Default for the purposes of Term 16.

- 5) Margin payments must be made in the form of cleared funds (on your account with us) unless, by separate written agreement, we accept other assets from you as collateral for payment of Margin. In the event that any applicable debit card authority or other paying agent declines to transfer funds to us for any reason whatsoever then we may, at our absolute discretion, treat any Transaction entered into by us in reliance on receipt of those funds as void from the outset or close it at our then prevailing price, and recover any losses arising from the avoidance or closure of the Transaction from you. We may reserve the right to stipulate the method of payment to be used by you for the payment of Margin.
- 6) Subject to Term 14(3), in making any calculation of the Margin payments that we require from you under this Term 14, we may, at our absolute discretion, have regard to your overall position with us and/or an Associated Company of ours including any of your net unrealised losses (i.e. losses on open positions).
- 7) We are not under any obligation to keep you informed of your account balance and Margin required (i.e. to make a 'Margin call') however if we do so the Margin call may be made by telephone call, post, email, text message or through an Electronic Trading Service. The Margin call will be deemed to have been made as soon as you are deemed to have received such notice in accordance with Term 13(10). We will also be deemed to have made a demand on you if: (a) we have left a message requesting you to contact us and you have not done so within a reasonable time after we have left such a message; or (b) if we are unable to leave such a message and have used reasonable endeavours to attempt to contact you by telephone (at the telephone number last notified to us by you) but have been unable to contact you at such number. Any message that we leave for you requesting you to contact us should be regarded by you as extremely urgent unless we specify to the contrary when we leave the message. You acknowledge and accept that what constitutes a reasonable time in the context of this Term may be influenced by the state of the Underlying Market and that, according to the circumstances, could be a matter of minutes or even immediately. It is your responsibility to notify us immediately of any change in your contact details and to provide us with alternative contact details and ensure that our calls for Margin will be met if you will be uncontactable at the contact address or telephone number notified to us (for example because you are travelling or are on holiday, or you are prevented from being in contact because of a religious holiday). We will not be liable for any losses, costs, expenses or damages incurred or suffered by you as a consequence of your failure to do so.
- 8) Subject to Applicable Regulations, we will be entitled, at any time, to increase or decrease the Margin required from you on open Transactions or to change the credit arrangements for your account. Note that there are leverage restrictions applying to retail CFD accounts, ranging from 1:2 to 1:30 maximum, depending on the underlying asset. More information regarding the required initial margins can be found in the Markets Section on our Website. We reserve the right to communicate with you, regarding the change to Margin level or the credit arrangements for your account, in a form that might be different to your preferred choice of communication using the following means: telephone, post, email, text message, via one of our Electronic Trading Services or by posting notice of the change on our website. Any increase in Margin levels will be due and payable immediately on our demand, including our deemed demand in accordance with Term 14(7). Any change in the credit arrangements for your account will be effective at the time notified to you, which

may include immediately. We will only increase Margin requirements or change the credit arrangements for your account where we reasonably consider it necessary, for example but without limitation, in response to or in anticipation of any of the Following:

- a) a change in the volatility and/or liquidity in the Underlying Market or in the financial markets more generally;
- b) economic news;
- c) a company whose Instruments represent all or part of your Transaction becoming or being rumoured to be going insolvent, being suspended from trading or undertaking a Corporate Event;
- d) you changing your dealing pattern with us and/or an Associated Company of ours;
- e) your credit circumstances changing or our assessment of your credit risk to us changing;
- f) your exposure to us and/or an Associated Company of ours being concentrated in a particular Underlying Market or a sector (being a selection of stocks in a market normally associated with a specific industry group);
- g) our and/or an Associated Company of ours exposure is concentrated in a particular Underlying Market or a sector (being a selection of stocks in a market normally associated with a specific industry group) as a result of your Transactions with us in aggregation with transactions of other clients of ours and/or an Associated Company of ours;
- h) a change in the margin charged by our hedging counterparties or the margin rules set by the relevant Underlying Market; or
- i) any change to the Applicable Regulations.

15 / Payment, Currency Conversion and Set-Off

- 1) All payments to be made under this Agreement, other than payments of Commission and Margin which are due and payable in accordance with Terms 5 and 14 respectively, are due immediately upon our demand, which may be oral or in writing. Once demanded, such payments must be paid by you, and must be received by us in full in cleared funds on your account.
- 2) You must comply with the following when making payments to us:
 - a) Payments due (including Margin payments) will, unless otherwise agreed or specified by us, be required in pounds, euros, US dollars, Japanese yen and Swiss francs.
 - b) You may make any payment due to us (including any payment for Margin) by direct bank transfer for value within 24 hours (e.g. by CHAPS or FAST PAY payment), by card (for example credit card or debit card) or, if available, by alternative payment methods available on our website. Note that we reserve the right to levy a reasonable administration charge for processing your payments which will generally reflect the cost to us in providing these payment solutions to you and shall be due and payable at the time of the payment.

- c) At our reasonable discretion, we may accept payments from you made by cheque, subject to any terms we advise to you at the time we notify you of our acceptance. Cheques should be crossed and made payable to Price Markets UK Ltd or such other payee as we may notify you of and your account number should be marked clearly on the reverse of the cheque. We reserve the right to levy a reasonable administration charge where we allow you to pay by cheque.
 - d) In determining whether to accept payments from you under this Term, we will have utmost regard to our duties under law regarding the prevention of fraud, countering terrorist financing, insolvency, money laundering and/or tax offences. To this end, we may at our absolute discretion having regard to the law, reject payments from you or a third party and return funds to source. In particular, we may not accept payments from a bank account if it is not evident to us that the bank account is in your name.
- 3) All incoming payments shall be credited to the Client's Trading Account no later than one (1) Business day after the funds are cleared by Price Market's bank.

BASE CURRENCY AND CURRENCY CONVERSION

- 4) You should be aware of the following when you open a Transaction or deposit money into your account in a Currency other than your Base Currency:
- a) It is your responsibility to make yourself aware of the Currency that is designated as your Base Currency. Details of your Base Currency are available on one of our Electronic Trading Service or by phoning one of our employees.
 - b) Some Transactions will result in profit/loss being accrued in a Currency other than your Base Currency. The Markets Section specify the Currencies in which various Transactions are denominated, or alternatively such information is available from one of our employees on request.
 - c) From time to time (for example in certain Statements), we may provide information to you which presents your multi-currency balances in the equivalent value of your Base Currency, using the rates prevailing at the time the information is produced. Any currency conversion and rates used will be based on Price Market's provider of choice. However you should note that the balances have not been physically converted and that the presentation of the information in your Base Currency is for information only.
 - d) Unless we have agreed with you otherwise, your account will, by default, be set to immediate conversion of non-Base Currency balances standing on your account to your Base Currency. This means that following a non-Base Currency Transaction being closed, rolled over or expiring, the profits or losses from that Transaction will be automatically converted to your Base Currency and posted to your account in that Base Currency. We will also by default automatically convert any non-Base Currency adjustments or charges (for example funding charges or dividend adjustments) to your Base Currency, before such adjustments or charges are booked on your account and we will automatically convert any money received from you in a non-Base Currency into your Base Currency.
 - e) We may agree that instead of automatically converting non-Base Currency amounts before we post them to your account (as set out in Term 15(3)(d) above), we may post such amounts on your account in the relevant non-Base Currency and we will conduct recurring balance sweeps (for example on a daily, weekly or monthly basis) that will convert all non-Base Currency balances standing on your account to your Base Currency. Depending on your account type, some of these sweep frequencies might not be available to you.

- f) If you have an account type that allows you to do so (and subject to our agreement), you may elect to opt out of both immediate conversion (as set out in Term 15(3)(d)) and recurring balance sweeps (as set out in Term 15(3)(e)). When we consider it reasonably necessary, or when requested by you, we may convert balances (including negative balances) and/or money standing to your credit in a non-Base Currency into your Base Currency.
- g) All conversions made in accordance with this Term will be made at an exchange rate not more than +/-0.5% of the prevailing market rate or rate we receive from the market at the time of the conversion.
- h) Where you maintain Transactions in a Currency other than your Base Currency and/or where you elect to opt out of immediate conversion pursuant to 16(3)(e) or 16(3)(f), as applicable, you are exposing yourself to cross-currency risk. You acknowledge and agree that it is your responsibility to manage this risk and we are not liable for any losses that you suffer as a result.
- i) We reserve the right to change the way in which we manage and/or convert your non-Base Currency balances at any time in the future by providing you with 10 business days prior notice. By way of example only, we may notify you that all non-Base Currency amounts on your account will be immediately converted as set out in Term 15(3)(d), or we may notify you that the frequency for your recurring balance sweep is changing to become more or less frequent.

INTEREST

- 5) Professional Clients and Eligible Counterparty will pay interest to us on any sums due in respect of any Transaction and any other general account charges (for example, market data fees) and Taxes, as applicable, that you fail to pay on the relevant due date. Interest will accrue on a daily basis from the due date until the date on which payment is received in full on your account in cleared funds, at a rate not exceeding 4% above our applicable reference rate from time to time (details available on request) and will be payable on demand.

REMITTING MONEY

- 6) We will be under no obligation to remit any money to you if that would reduce your account balance (taking into account running profits and losses) to less than the Margin payments required on your open Transactions. Subject thereto and to Term 15(6), 15(7), 15(8) and 15(9), money standing to the credit of your account will be remitted to you if requested by you. Where you do not make such a request, we will be under no obligation to, but may, at our absolute discretion, remit such monies to you. All bank charges howsoever arising will, unless otherwise agreed, be for your account. The manner in which we remit monies to you will be at our absolute discretion, having utmost regard to our duties under law regarding the prevention of fraud, countering terrorist financing, insolvency, money laundering and/or tax offences. We will normally remit money in the same method and to the same place from which it was received. However, in exceptional circumstances we may, at our absolute discretion, consider a suitable alternative.

SET-OFF

- 7) If any losses incurred, monies owed (for example Electronic Trading Services fees) or debit balances to us (each a "Loss" and together, "Losses") in relation to an account under this Agreement in which you may have an interest exceeds all amounts held by us in relation to that account, you must forthwith pay such excess to us whether demanded or not. If any Losses to us and any Associated Company in relation to accounts in which you may have an interest exceed all amounts held by us and any

Associated Company in relation to all accounts in which you may have an interest, you must forthwith pay such excess to us whether demanded or not. Note that there is no additional payment obligation with respect to retail accounts.

- 8) Subject to Applicable Regulations and without prejudice to our right to require payment from you in accordance with Terms 15(1), 15(2) and 15(6) above, we will at any time have the right to set off:
- a) any Losses in respect of any account held by you with us, under this Agreement or otherwise, against any sums, Instruments or other assets (each a "Sum" and together, "Sums") held by us, under this Agreement or otherwise, for or to your credit;
 - b) any Losses in respect of any account held by you with us, under this Agreement or otherwise, against any Sums held by an Associated Company for or to your credit; and

- 9) In case you are a Professional client or an Eligible Counterparty, and subject to a written agreement. we may, at any time and without notice to you, sell Instruments or other assets of which we or any Associated Company have custody or control on your behalf, in order to discharge any or all of your obligations to us and any Associated Company under this Term 15. If we have to sell Instruments held on your behalf to meet your obligations, we will charge you all applicable Charges and Taxes in doing so including a reasonable administration charge. You will continue to be responsible to us for any outstanding balance due after Instruments have been sold and the difference in value will be payable to us immediately.
- 10) As long as there are outstanding Losses in respect of any account in which you may have an interest under this or any other agreement with us or an Associated Company, in each case whether as a joint account or otherwise, we may retain possession of any Instruments or other assets held by us or an Associated Company or to your credit with us or an Associated Company in relation to any account in which you may have an interest (this right is known as a lien).

WAIVER

- 11) Our failure on one or more occasions to enforce or exercise our right to insist on timely payment (including our right to insist on immediate payment of Margin) will not amount to a waiver or bar to enforcement of that right.

16 / Default and Default Remedies

- 1) Each of the following constitutes an "Event of Default":

- a) your failure to make any payment (including any payment of Margin) in accordance with the conditions set out in Terms 14 and 15;
 - b) your failure to perform any obligation due to us;
 - c) where any Transaction or combination of Transactions or any realised or unrealised losses on any Transactions or combination of Transactions opened by you results in your exceeding any credit or other limit placed on your dealings with us;
 - d) if you are an individual, your death or your incapacity;
 - e) the initiation by a third party of proceedings for your bankruptcy (if you are an individual) or for your winding-up or for the appointment of an administrator or receiver in respect of you or any of your assets (if you are a company, trust or partnership) or (in any case) if you make an arrangement or composition with your creditors or any other similar or analogous procedure is commenced in respect of you;
 - f) where any representation or warranty made by you in this Agreement, including but not limited to the representations and warranties in Terms 9(1), 9(18), 19(1) and 20(2), is or becomes untrue;
 - g) you are or become unable to pay your debts as and when they fall due (this does not apply to retail CFD accounts);
 - h) you have committed fraud or been deceitful in your dealings with us in relation to your account with us under this Agreement or another account with us or an Associated Company of ours;
 - i) you are in material or persistent breach of any term of this Agreement;
 - j) an 'event of default' (however described) under the applicable agreement in relation to your account with an Associated Company of ours or with us (other than under this Agreement); or
 - k) any other circumstance where we reasonably believe that it is necessary or desirable to take any action in accordance with Term 16(2) to protect ourselves or all or any of our other clients.
- 2) If an Event of Default occurs in relation to your account(s) with us or in relation to any account(s) held by you with an Associated Company of ours, we may, at our absolute discretion, at any time and without prior notice take any one or any number of the below steps:
- a) close, part-close or amend all or any of your Transactions at a Closing Level based on the then prevailing quotations or prices in the relevant markets or, if none, at such levels as we consider fair and reasonable and/or delete or place any Order on your account with the aim of reducing your exposure and the level of Margin or other funds owed by you to us;

 - e) terminate this Agreement in accordance with Term 27(4).
- 3) If we take any action under Term 16(2), we may, where reasonably possible, take steps to notify you before exercising such rights. However, we are not obliged to do so and any failure on our part to take such steps will not invalidate the action taken by us under Term 16(2).
 - 4) If an Event of Default occurs we are not obliged to take any of the steps set out in Term 16(2) and we may, at our absolute discretion, allow you to continue to trade with us, or allow your open Transactions to remain open.
 - 5) You acknowledge that, if we allow you to continue to trade or to allow your open Transactions to remain open under Term 16(4), this may result in you incurring further losses.
 - 6) You acknowledge and agree that, in closing out Transactions under this Term 16, it may be necessary for us to 'work' the order. This may have the result that your Transaction is closed out in tranches at different bid prices (in the case of Sells) or offer prices (in the case of Buys), resulting in an aggregate closing level for your Transaction that results in further losses being incurred on your account. You acknowledge and agree that we shall not have any liability to you as a result of any such working of your Transactions.

17 / Client Money

- 1) We will treat money received from you or held by us on your behalf in accordance with the Client Money Rules.
- 2) Subject to Term 17(6) below, your money shall be held in pooled client bank accounts at selected third party banking institutions as determined by us in accordance with the Client Money Rules. Hence, in the event of the insolvency or any other analogous proceedings in relation to that financial institution, the Company may only have an unsecured claim against the financial institution on behalf of the Client, and the Client will be exposed to the risk that the money received by the Company from the financial institution is insufficient to satisfy the claims of the Client.
- 3) The Company shall exercise due skill, care and diligence in the selection and appointment and periodic review of the financial institution and the arrangements for holding of Client money. The Company takes into account the expertise and market reputation of such institutions with the view of ensuring the protection of Client's rights, as well as any legal or regulatory requirements or market practices related to holding of Client money that could adversely affect Client's right.
- 4) We will keep and maintain books and records of the client money held on your behalf. We will provide you with statements of the client money that we hold on your behalf in accordance with the Client Money Rules. Subject to the Client Money Rules, you may request such a statement at any time subject to you agreeing that we may levy an administration charge to cover our costs in providing any such statement to you. We may place funds in notice or term deposit accounts with a notice period or term of up to 95 days. Placing client money in notice or term deposit accounts does not in

itself affect your ability to deal with or withdraw funds from your account with us, however such amounts may not be immediately available upon request.

- 5) We may hold client money in a client bank account with a bank located outside the European Economic Area. The legal and regulatory regime applying to any such bank will be different from that of the European Economic Area and in the event of the insolvency or any other equivalent failure of that bank, your money may be treated differently from the treatment which would apply if the money was held with a bank in the European Economic Area. Although we will take reasonable care in the selection of a bank or financial institution, we will not be liable for the insolvency, acts or omissions of any bank or other third party holding money under Terms 17(1), 17(2) or 17(3).
- 6) It is not our policy to pay interest to you on any client money that we hold on your behalf and by entering into this Agreement you acknowledge that you therefore waive any entitlement to interest under the Client Money Rules or otherwise. In the event that we incur interest charges to hold client money on your behalf with third party banking institutions or qualifying money market funds in accordance with the Client Money Rules, you agree that we may charge you for holding client money on your behalf. You agree that we may cease to treat any money deducted as client money and that ownership of that money will be irrevocably transferred from you to us.
- 7) In the event that there has been no movement on your account balance for a period of at least six years (notwithstanding any payments or receipts of charges, interest or similar items) and we are unable to trace you despite having taken reasonable steps to do so, you agree that we may cease to treat your money as client money and pay away the money to a registered charity. In such circumstances, we (or an Associated Company of ours) will unconditionally undertake to pay you a sum equal to the relevant client money balance paid away in the event that you seek to claim the client money balance in the future.
- 8) We may hold client money in a qualifying money market fund and notify you that such money will not be held as client money in accordance with the Client Money Rules and the units or shares in any qualifying money market fund will be held as safe custody assets in accordance with the provisions of the FCA Rules that relate to the holding of assets in custody by investment firms like ourselves on behalf of clients. You explicitly consent that your client money may be held in such a fund. If you withdraw your consent by notifying us in accordance with Term 13(10), we will take steps to remove your money from any money market fund as soon as reasonably practicable, taking into account any restrictions that apply to the withdrawal of money from the relevant fund.
- 9) In accordance with Term 26(3), you specifically agree that we may transfer client money to a third party as part of a transfer of all or part of our business. Any sums transferred will be held by that third party either in accordance with the Client Money Rules, or if the sums will not be held in accordance with the Client Money Rules, we will exercise all due skill, care and diligence in assessing whether adequate measures will be applied by the third party to protect the sums.
- 10) **This Term applies if you have been categorised as a Professional Client only.** Following appropriate disclosure of the risks by us to you, you and we may agree that you do not require money which is transferred by you to us to be held in accordance with the Client Money Rules. Any such agreement must be in our agreed form and signed by you and may be provided to us by post or by scanned copy sent to us by email. Following such an agreement, we will treat any transfer of money by you to us as a transfer of full ownership of money to us for the purpose of securing or covering your present, future, actual, contingent or prospective obligations, and we will not hold such money in accordance with the Client Money Rules. Because title of the money has passed to us, you will no

longer have a proprietary claim over money transferred to us and we can deal with it in our own right, and you will rank as a general creditor of ours. By placing money with us under a title transfer agreement, you agree that all money you place on your account is done so in anticipation of a Transaction and therefore has the purpose of securing or covering your present, future, actual, contingent or prospective obligations to us. You should not place any money with us that is not for the purpose of securing or covering your present, future, actual, contingent or prospective obligations to us.

- 11) **This Term applies if you have been categorised as an Eligible Counterparty only.** As set out in the Supplementary Schedule of Conditions for Eligible Counterparties, if we classify you as an Eligible Counterparty at any time, you agree that we may without separate written agreement treat money which is transferred by you to us as a transfer of full ownership of money to us for the purpose of securing or covering your present, future, actual, contingent or prospective obligations to us and that such money will not be held in accordance with the Client Money Rules.

18 / Indemnity and Liability

- 1) Subject always to Term 1(8), you are responsible for all liabilities, losses or costs of any kind or nature whatsoever that may be incurred by us as a result of any failure by you to perform any of your obligations under this Agreement, in relation to any Transaction or in relation to any false information or declaration made either to us or to any third party, in particular to any Exchange. You acknowledge that this responsibility extends to our legal and administrative costs and expenses incurred in respect of taking any legal or investigatory action against you, or instructing any debt collection agency, to recover monies owed by you to us.
- 2) You agree that you will not hold us liable for any losses, liabilities, judgements, suits, actions, proceedings, claims, damages and/or costs suffered by you resulting from or arising out of any act or omission by any person obtaining access to your account by using your designated account number and/or password and/or Security Details, whether or not you authorised such access.
- 3) We shall not be liable for any default, omissions, errors or mistakes by any third party or Associated Company other than as a result of our own negligence, fraud or wilful default in relation to the appointment of that third party.
- 4) We are not liable for any inaccuracy, errors or omissions for Information relating to our services that are provided by third parties. This does not apply to any inaccuracies, errors or omissions caused by our own negligence, fraud or wilful default in relation to the appointment and ongoing monitoring/supervision of that third party
- 5) Without prejudice to any other Terms of this Agreement, we will have no liability to you in relation to any loss, costs or expenses that you suffer as a result of:
 - a) any delay or defect in or failure of the whole or any part of our Electronic Trading Services' software or any systems or network links or any other means of communication; or
 - b) any computer viruses, worms, software bombs or similar items introduced into your computer hardware or software via our Electronic Trading Services, except where such loss, cost or expense is a result of our own negligence, fraud or wilful default.

- 6) Without prejudice to any other Terms of this Agreement, we will have no liability to you in relation to any loss, costs or expenses that you suffer as a result of:
 - a) any inability by you to open or close a Transaction; or
 - b) any cause beyond our reasonable control and the effect of which is beyond our reasonable control to avoid.
- 7) Without prejudice to any other Terms of this Agreement, we will have no liability to you in relation to any loss which is a side effect of the main loss or damage and which is not a foreseeable consequence of a breach of this Agreement including, without limitation, loss of business, loss of profits, failure to avoid a loss, loss of data, loss or corruption of data, loss of goodwill or reputation, caused by any act or omission of ours under this Agreement.
- 8) Nothing in this Agreement shall limit our liability for personal injury or death.

19 / Representations and Warranties

- 1) You represent and warrant to us, and agree that each such representation and warranty is deemed repeated each time you open or close a Transaction by reference to the circumstances prevailing at such time, that:
 - a) the information provided to us in your application form and at any time thereafter is true and accurate in all respects;
 - b) you are duly authorised to execute and deliver this Agreement, to open and to close each Transaction and to perform your obligations hereunder and thereunder and have taken all necessary action to authorise such execution, delivery and performance;
 - c) you will enter into this Agreement and open and close each Transaction as principal;
 - d) any person representing you in opening or closing a Transaction will have been, and (if you are a company, partnership or trust) the person entering into this Agreement on your behalf is, duly authorised to do so on your behalf;
 - e) you have obtained all governmental or other authorisations and consents required by you in connection with this Agreement and in connection with opening or closing Transactions and such authorisations and consents are in full force and effect and all of their conditions have been and will be complied with;
 - f) execution, delivery and performance of this Agreement and each Transaction will not violate any law, ordinance, charter, by-law or rule applicable to you, the jurisdiction in which you are resident, or any agreement by which you are bound or by which any of your assets are affected;
 - g) other than in exceptional circumstances, you will not send funds to your account(s) with us from, or request that funds be sent from your account(s) to, a bank account other than that identified in your account opening form or as otherwise agreed by us. Whether exceptional circumstances exist will be determined by us from time to time;

- h) if you are an employee or contractor of a financial services firm or any other firm that has controls over the financial transactions in which its employees and contractors deal, you will give us proper notice of this and of any restrictions that apply to your dealing;
 - i) you will not use our bid and offer prices for any purpose other than for your own trading purposes, and you agree not to redistribute our bid and offer prices to any other person whether such redistribution be for commercial or other purposes;
 - j) you will use the services offered by us pursuant to this Agreement in good faith and, to this end, you will not use any electronic device, software, algorithm, any trading strategy or any arbitrage practices (such as but not limited to latency abuse, price manipulation or time manipulation) that aims to manipulate or take unfair advantage of the way in which we construct, provide or convey our bid or offer prices. In addition, you agree that using any device, software, algorithm, strategy or practice in your dealings with us whereby you are not subject to any downside market risk will be evidence that you are taking unfair advantage of us;
 - k) you will use the services offered by us pursuant to this Agreement in good faith and, to this end, you will not use any electronic device, software, algorithm, or any trading strategy that aims to manipulate or take unfair advantage of any Electronic Trading Service;
 - l) you will not use any automated software, algorithm or trading strategy other than in accordance with the terms of this Agreement;
 - m) other than as expressly permitted by us, you will not, and will not attempt to, communicate with us electronically via any customised interface using a protocol such as Financial Information Exchange protocol (FIX) or any other such interface;
 - n) you will not submit or request information electronically from us in a manner that is likely to strain or overload any Electronic Trading Service;
 - o) you will not and will not attempt to decompile any Electronic Trading Service including any of our web or mobile applications;
 - p) you will provide us with all information that we reasonably require to comply with our obligations under this Agreement and you will provide us with any information that we may reasonably request from you from time to time for the purposes of our compliance with Applicable Regulations;
 - q) where we have provided you with a key information document in respect of any Transaction as required under the regulation on key information documents for packaged retail and insurance-based investment products (1286/2014), you agree to us providing you with such key information document on our website (you may request a paper copy of any key information document on our website) and that you have read the relevant key information document; and
 - r) you are not subject to the obligations in the EMIR Regulation on OTC Derivatives, Central Counterparties and Trade Repositories (648/2012) unless you notify us to the contrary.
- 2) This Agreement contains the entire understanding between the parties in relation to the dealing services we offer.
- 3) In the absence of our fraud, wilful default or negligence, we give no warranty regarding the performance of our website(s), our Electronic Trading Services or other software or their suitability for any equipment used by you for any particular purpose.

- 4) Any breach by you of a warranty given under this Agreement, including but not limited to the warranties given in Terms 9(1), 9(18), 19(1) or 20(2), renders any Transaction voidable from the outset or capable of being closed by us at our then prevailing prices, at our absolute discretion.
- 5) If we have reasonable grounds for suspecting that you have breached a warranty given under this Agreement, including but not limited to the warranties given in Terms 9(1), 9(18), 19(1) or 20(2), we may render any Transaction voidable from the outset or capable of being closed by us at our then prevailing prices, at our absolute discretion, unless and until you produce evidence that satisfies us that you have not, in fact, committed the breach of warranty the suspicion of which was the ground for us taking action under this Term. For the avoidance of doubt, if you do not produce such evidence within the period of three months from the date on which action is taken by us under this Term, all such Transactions will be finally null and void as between you and us.

20 / Market Abuse

- 1) We may hedge our liability to you by opening analogous positions with other institutions or in the Underlying Market. The result of our doing this is that when you open or close a Transaction relating to a share or other Instrument with us, your Transactions can, through our hedging, exert a distorting influence on the Underlying Market for that Instrument, in addition to the impact that it may have on our own prices. This creates a possibility of market abuse and the function of this Term is to prevent such abuse.
- 2) You represent and warrant to us now, and agree that each such representation and warranty is deemed repeated each time you open or close a Transaction, that:
 - a) you will not open and have not opened a Transaction or Transactions with us relating to a particular share price if to do so would result in you, or others with whom you are acting in concert together, having an exposure to the share price that is equal to or exceeds the amount of a declarable interest in the relevant company. For this purpose the level of a declarable interest will be the prevailing level at the material time, set by law or by the Exchange(s) on which the underlying share is listed;
 - b) you will not open and have not opened a Transaction with us in connection with:
 - i) a placing, issue, distribution or other analogous event;
 - ii) an offer, take-over, merger or other analogous event; or
 - iii) any other corporate finance style activity,in which you are involved or otherwise interested; and
 - c) you will not open or close a Transaction and you will not place an Order that contravenes any primary or secondary legislation or other law against insider dealing or market manipulation. For the purposes of this Term you agree that we may proceed on the basis that when you open or close a Transaction or place an Order with us on a share price, you may be treated as dealing in securities within the meaning of Part V of the Criminal Justice Act 1993.

- 3) In the event that (a) you open or close any Transaction or place an Order in breach of the representations and warranties given in Terms 9(1), 9(18), 19(1) or 20(2), or (b) we have reasonable grounds for suspecting that you have done so, we may, at our absolute discretion and without being under any obligation to inform you of our reason for doing so, close that Transaction and any other Transactions that you may have open at the time, if applicable, and also, at our absolute discretion:
 - a) enforce the Transaction or Transactions against you if it is a Transaction or Transactions under which you have incurred a loss;
 - b) treat all your Transactions that meet the circumstances set out in this Term as void if they are Transactions under which you have secured a profit, unless and until you produce evidence that satisfies us that you have not, in fact, committed the breach of warranty and/or misrepresentation the suspicion of which was the ground for us taking action under this Term. For the avoidance of doubt, if you do not produce such evidence within the period of three months from the date on which action is taken by us under this Term, all such Transactions will be finally null and void as between you and us; or
 - c) cancel any Order on your account with us.
- 4) You acknowledge that the Transactions in which you deal with us are speculative instruments and you agree that you will not open any Transactions with us in connection with any corporate finance style activity.
- 5) You acknowledge that it would be improper for you to deal in the Underlying Market if the sole purpose of such a transaction was to impact on our bid or offer prices, and you agree not to conduct any such transactions.

21 / Credit

- 1) Details of any credit arrangement that may be available to you are or will be set out in, and will be subject to, such terms, conditions and limits as may be agreed in separate correspondence. We reserve the right to alter any credit arrangements agreed with you at any time. You acknowledge that when you deal with us on credit, neither any limit set on your account nor any amount of Margin you have paid puts any limit on your potential losses in respect of a Transaction. Unless you are a retail client, you acknowledge and agree that your financial liability to us may exceed the level of any credit or other limit placed on your account. You should be aware that where we provide you with credit under this Term 21, such arrangements may not be in scope of the Consumer Credit Act 1974, as amended, consolidated or re-enacted.

22 / Force Majeure Events

- 1) Subject to Applicable Regulations, we may, in our reasonable opinion, determine that an emergency or an exceptional market condition exists (a "Force Majeure Event"), in which case we will, in due course, inform the FCA and take reasonable steps to inform you. A Force Majeure Event will include, but is not limited to, the following:
 - a) any act, event or occurrence (including without limitation any strike, riot or civil commotion, act of terrorism, war, industrial action, acts and regulations

- of any governmental or supranational bodies or authorities) that, in our opinion, prevents us from maintaining an orderly market in one or more of the Instruments in respect of which we ordinarily deal in Transactions;
- b) the suspension or closure of any market or the abandonment or failure of any event on which we base, or to which we in any way relate, our quote, or the imposition of limits or special or unusual terms on the trading in any such market or on any such event;
 - c) the occurrence of an excessive movement in the level of any Transaction and/or the Underlying Market or our anticipation (acting reasonably) of the occurrence of such a movement;
 - d) any breakdown or failure of transmission, communication or computer facilities, interruption of power supply, or electronic or communications equipment failure; or
 - e) failure of any relevant supplier, intermediate broker, agent or principal of ours, custodian, sub-custodian, dealer, exchange, clearing house or regulatory or self-regulatory organisation, for any reason, to perform its obligations.
- 2) If we determine that a Force Majeure Event exists, we may, at our absolute discretion, without notice and at any time, take one or more of the following steps:
- a) increase your Margin requirements;
 - b) close all or any of your open Transactions at such Closing Level as we reasonably believe to be appropriate;
 - c) suspend or modify the application of all or any of the Terms of this Agreement to the extent that the Force Majeure Event makes it impossible or impracticable for us to comply with the Term or Terms in question; or
 - d) alter the Last Dealing Time for a particular Transaction.

23 / Corporate Events, Takeovers, Voting Rights, Interest

CORPORATE EVENTS

- 1) If any Instrument becomes subject to possible adjustment as the result of any of the events set out in Term 23(2) below (a “Corporate Event”) or is otherwise the subject of a Corporate Event, we will determine the appropriate adjustment, if any, to be made to the size and/or value and/or number of the related Transaction(s) (and/or to the level of any Order) to account for the diluting or concentrating effect necessary to preserve the economic equivalent of the rights and obligations of the parties in relation to that Transaction immediately prior to that Corporate Event and/or replicate the effect of the Corporate Event on someone with an interest in the relevant underlying Instrument, which may include the opening of a new Transaction or the closing of the existing Transaction. Any action taken by us will be effective from the date determined by us and may, for the avoidance of doubt, be retrospective.
- 2) The events to which Term 23(1) refers are:

- a) the declaration by the issuer of an Instrument (or, if the Instrument is itself a derivative, the issuer of the security underlying that Instrument) of the terms of any of the following:
 - i) a subdivision, consolidation, redenomination or reclassification of shares, a share buy-back or cancellation, or a free distribution of shares to existing shareholders by way of a bonus, capitalisation or similar issue;
 - ii) a distribution to existing holders of the underlying shares of additional shares, other share capital or securities granting the right to payment of dividends and/or proceeds of liquidation of the issuer equally proportionately with such payments to holders of the underlying shares, securities, rights or warrants granting the right to a distribution of shares or to purchase, subscribe or receive shares, in any case for payment (in cash or otherwise) at less than the prevailing market price per share as determined by us;
 - iii) the voiding of an Instrument that trades, or has traded, on a when issued basis, in which case any Transaction(s) that relates to that Instrument will also be void;
 - iv) any other event in respect of the shares analogous to any of the above events or otherwise having a diluting or concentrating effect on the market value of the shares, whether temporary or otherwise; or
 - v) any event analogous to any of the foregoing events or otherwise having a diluting or concentrating effect on the market value of any Instrument not based on shares, whether temporary or otherwise; or
 - b) in relation to any Instrument that is a digital asset (including any virtual currency), any event that we reasonably deem to be analogous to any of the events set out in Terms 23(2)(a)(i) to (v), including, but not limited to, hard or soft forks, any distribution to the holder of the digital asset (including of a second digital asset) or any event otherwise having a diluting or concentrating effect on the market value of the digital asset.
- 3) Any adjustment to the size and/or value and/or number of any Transaction(s) (and/or to the level of any Order) and/or the opening or closing of any Transaction(s), will be determined reasonably and will be conclusive and binding on you. If you have a Buy (i.e. a long Transaction) that is affected by a Corporate Event, we will, should you give us notice of the same, in the form and with any period indicated by us, give consideration to your views about the action or adjustment to be made as a result of the Corporate Event. If you hold a Sell (i.e. a short Transaction) then we will take whatever action is decided by us, acting reasonably in your best interests. We will inform you of any adjustment or amendment under this Term as soon as reasonably practicable.

TAKEOVERS

- 4) If at any time a takeover offer is made in respect of a company, and you have a Transaction that relates to the securities of that company, then:
 - a) we will use reasonable endeavours to notify you of the takeover offer;
 - b) we will apply the terms of the takeover offer to your Transaction, as if you were a holder of the securities in question;
 - c) we may offer you the opportunity to assent to the takeover offer (as it applies to your Transaction), or we may elect to assent on your behalf where we reasonably believe it is in your best interests to do so. If you elect to assent, or we assent on your behalf, your Transaction will be Suspended and become untradeable until the closing date of the takeover offer at which point your Transaction will be closed in accordance with the

terms of the takeover offer. You agree that we will be entitled to cancel or adjust the size and/or value and/or number of any Transaction(s) (and/or the level of any Order) to reflect the takeover offer, and that any such cancellation or amendment will be conclusive and binding upon you;

- d) if you do not assent, and we do not assent on your behalf, but the takeover goes ahead nonetheless (for example, if drag-along rights apply), you agree that we will be entitled to cancel or adjust the size and/or value and/or number of any Transaction(s) (and/or the level of any Order) to reflect the takeover offer, and that any such cancellation or amendment will be conclusive and binding upon you; and
- e) at any time prior to the closing date of the takeover offer we may give notice to you of our intention to close a Transaction in respect of that company's securities. The date of such notice will be the closing date of the Transaction and the Closing Level will be determined by us, based on our reasonable assessment of the market value of the Instrument at the relevant time.

VOTING RIGHTS

- 5) You acknowledge that we will not transfer voting rights relating to an underlying share or other Instrument to you, or otherwise allow you to influence the exercise of voting rights held by us or by an agent on our behalf.

INTEREST

- 6) Price Markets shall not be obliged to pay any interest to the Clients for any funds that are being held. The client waives any and all rights to any interest that may be earned while holding funds.

24 / Suspension and Insolvency

- 1) If at any time trading on the Underlying Market is suspended in any Instrument that forms the subject of a Transaction, then the Transaction will also be Suspended from operation unless we are able to continue to make prices for the Transaction based on prices in a different but related Underlying Market that is not suspended from trading. If Suspended, the suspension price of the Transaction, unless re-valued by us as set out in this Term 24, for the purposes of Margining and otherwise, will be the mid-price quoted by us at the time of suspension.
- 2) Irrespective of whether it is an Expiry Transaction that you have elected not to roll over and the date of contract expiry passes, and irrespective of any Orders given by you, the Transaction will remain open but Suspended until either of the following takes place:
 - a) the suspension in the Underlying Market is terminated and trading recommences, at which point the Suspension of your Transaction will also cease and your Transaction will become tradable again. Following the lifting of the Suspension, any Orders that you may have given us with respect to the Transaction that have been triggered will be executed as soon as we consider reasonable in the circumstances having regard to liquidity in the Underlying Market and any hedging transactions that we have with third parties as a result of your Transaction. We cannot guarantee that Orders will be executed at the first available Underlying Market price; or
 - b) where the Instrument is in respect of a company, that company is delisted from the Underlying Market, goes into insolvency or is dissolved, at which point your Transaction will be dealt with in accordance with Terms 24(4) and 24(5).

- 3) If you have an Expiry Transaction that becomes Suspended by operation of this Term, you will be deemed to have requested that the Transaction be rolled forward into the next contract period until the first expiry date following the lifting of the Suspension or until your Transaction is dealt with in accordance with Terms 24(4) or 25(5) as applicable. You agree that while your Transaction is Suspended, we will still be entitled to make interest adjustments in accordance with Term 23(6).
- 4) If a company, whose Instrument represents all or part of the subject-matter of a Transaction, goes into insolvency or is dissolved, the day on which the company goes into insolvency or is otherwise dissolved will be the closing date of that Transaction and we will deal with your Transaction as follows:
 - a) If you have a long Transaction, the Closing Level of the Transaction will be zero and on closing, we will open a corresponding proceeds line on your account so that if the company makes a distribution to shareholders, an amount equalling the eventual distribution will be credited to your account.
 - b) Subject to Applicable Regulations, if you have a short Transaction, the Closing Level of the Transaction will be zero and on closing we will open a corresponding proceeds line on your account so that if the company makes a distribution to shareholders, an amount equalling the distribution will be debited to your account. We reserve the right to require you to maintain Margin on this proceeds line, which could for the avoidance of doubt be as much as the difference between the suspension price and zero.
- 5) If a company, whose Instrument represents all or part of the subject-matter of a Transaction, is delisted from the Exchange to which the Transaction relates, but at the time of delisting such company has not gone into insolvency nor been dissolved, then we will take such action as we consider fair having regard to all of the circumstances regarding the delisting and any hedging transactions that we have with third parties as a result of your Transaction and where possible which reflects the treatment accorded to holders of the underlying Instrument. Without any limitation, examples of the actions that we might take are:
 - a) closing the Transaction at a Closing Level that is based on our fair and reasonable assessment of the value of the Instrument to which the Transaction relates;
 - b) changing the Exchange to which the Transaction refers (i.e. if the company in question has delisted on the reference Exchange, but maintains or has obtained listing on another Exchange, we may alter your Transaction so that it refers to the second Exchange);
 - c) maintaining the Suspension of the Transaction until the company makes a distribution to holders of the Instrument in question, at which point we will reflect that distribution on your Transaction; or
 - d) closing the Transaction and opening a proceeds line as set out in Term 24(4).
- 6) Subject to Applicable Regulations, we reserve the right at all times when your Transactions are Suspended under Term 24(2) to revalue such Transaction at such price and/or to change the Margin rate, in both cases as we shall determine to be reasonable in the circumstances, and to require payment of deposit or Margin Accordingly.

25 / Queries, Complaints and Disputes

- 1) Any queries should be raised with our trading services department (support@pricemarkets.com) or with one of our employees. Unresolved queries and complaints are handled by our compliance department according to our complaints procedure, a copy of which is available on our website(s) and is available on request. If you are dissatisfied with the result of our compliance department's investigation or with any action taken by us as a result of such investigation, you may be able to refer the complaint for further investigation to the Financial Ombudsman Service (www.fos.org.uk). You may also wish to use the European Commission's Online Dispute Resolution Platform (www.ec.europa.eu/odr).
- 2) Without prejudice to any of our other rights to close a Transaction under this Agreement, in any case where we are in dispute with you in respect of a Transaction or alleged Transaction or any communication relating to a Transaction, we may, at our absolute discretion and without notice, close any such Transaction or alleged Transaction, where we reasonably believe such action to be desirable for the purpose of limiting the maximum amount involved in the dispute, and we will not be under any obligation to you in connection with any subsequent movement in the level of the Transaction concerned. If we close one or more of your Transactions under this Term, such action will be without prejudice to our right to contend in relation to any dispute that such Transaction had already been closed by us or was never opened by you. We will take reasonable steps to inform you that we have taken such action as soon as practicable after doing so. Where we close a Transaction or alleged Transaction in accordance with this Term, the closing will be without prejudice to your rights:
 - a) to seek redress or compensation for any loss or damage suffered in connection with the disputed or alleged Transaction or communication, prior to the closing; and
 - b) to open a new Transaction at any time thereafter, provided that such Transaction is opened in accordance with this Agreement, which will be applied, for the purposes only of calculating any relevant limits or money required from you, on the basis that our view of the disputed events or communication is correct.
- 3) We are covered by the Financial Services Compensation Scheme. You may be entitled to compensation from the scheme if we cannot meet our obligations. This depends on the type of business and the circumstances of the claim. Further information about compensation arrangements is available on our website and from the Financial Services Compensation Scheme website (www.fscs.org.uk).

26 / Miscellaneous

- 1) We reserve the right to Suspend any or all accounts you hold with us at any time. If we Suspend your account(s), it means that: you will generally not be permitted to open any new Transactions or increase your exposure under your existing Transactions, but you will be permitted to close, part close or reduce your exposure to us under your existing Transactions; you will no longer be permitted to trade with us via our Electronic Trading Services, rather you will be required to trade with us via the phone. We also reserve the right to Suspend a specific Transaction that you have open with us. If we Suspend a Transaction, it means that you will generally not be permitted to increase your exposure to us under the Suspended Transaction but, subject to Term 24, you will be permitted to close,

part close or reduce your exposure to us under the Suspended Transaction; in relation to the Suspended Transaction, you will no longer be permitted to deal with us via our Electronic Trading Services, rather you will be required to deal with us via the phone.

(679/2016) or any other similar applicable legislation. You consent to us collecting, holding and processing all such information for legal, personnel, administrative and management purposes and for the provision of services under this Agreement.

- 2) We will usually only process your personal data where you have given your consent or where the processing is necessary for the performance of this Agreement or to comply with our legal obligations. In other cases, processing may be necessary for the protection of your interests, for our legitimate interests or the legitimate interests of others.
- 3) You acknowledge and agree that this may result in your personal information being sent outside the European Economic Area.
- 4) You acknowledge and confirm that you are giving your consent, in regard to this Clause of this Agreement, freely and voluntarily, to our processing and disclosing such information in accordance with this Agreement and our Privacy Policy as published on our website(s), as may be updated from time to time and you understand that such processing of data is necessary for the purpose of establishing and performing the purpose of this Agreement. If at any time in future you wish to revoke such consent you can do so by a reasonable notice to us. For the avoidance of doubt, we will deal with such revocation in accordance to our internal data protection policies.
- 5) Under certain circumstances, you have the right in relation to your personal data:
 - i. Request access to your personal data (commonly known as a “data subject access request”). This enables you to receive a confirmation by us on whether we process your personal data, other supplementary information regarding our processing activities, including the purposes of our processing and request for copy of the personal data we hold about you and so as to check that we are lawfully processing it;
 - ii. Request correction of the personal data that we hold about you. This enables you to have any incomplete or inaccurate data we hold about you corrected, though we may need to verify the accuracy of the new data you provide to us.
 - iii. Request erasure of your personal data. This enables you to ask us to delete or remove personal data where there is no good reason for us continuing to process it. You also have the right to ask us to delete or remove your personal data where you have successfully exercised your right to object to processing where we may have processed your information unlawfully or where we are required to erase your personal data to comply with local law. Note, however, that we may not always be able to comply with your request of erasure for specific legal reasons which will be notified to you, if applicable, at the time of your request.
 - iv. Object to processing of your personal data where we are relying on a legitimate interest (or those of a third party) and there is something about your particular situation which makes you want to object to processing on this ground as you feel it impacts on your fundamental rights and freedoms. You also have the right to object where we are processing your personal data for direct marketing purposes. In some cases, we may demonstrate that we have compelling legitimate grounds to process your information which override your rights and freedoms.
 - v. Request restriction of processing of your personal data. This enables you to ask us to suspend the processing of your personal data in the following scenarios:
 - a. if you want us to establish the data’s accuracy;
 - b. where our use of the data is unlawful but you do not want us to erase it;
 - c. where you need us to hold the data even if we no longer require it as you need it to establish, exercise or defend legal claims; or

- d. you have objected to our use of your data but we need to verify whether we have overriding legitimate grounds to use it. You further acknowledge that in the event where restriction of the processing of your personal data is effected, your personal data shall, with the exception of storage, only be processed with your consent or for the establishment, exercise or defence of legal claims or for the protection of the rights of another natural or legal person or for reasons of important public interest of the European Union or of a member state.
 - vi. Request the transfer of your personal data to you or to a third party. We will provide to you, or a third party you have chosen, your personal data in a structured, commonly used, machine-readable format. Note that this right only applies to where the processing of your personal data is carried out by automated means, i.e. excluding paper files which you initially provided consent for us to use or where we used the information to perform a contract with you.
 - vii. Withdraw consent at any time where we are relying on consent to process your personal data. However, this will not affect the lawfulness of any processing carried out before you withdraw your consent. If you withdraw your consent, we may not be able to provide certain products or services to you. We will advise you if this is the case at the time you withdraw your consent.
- 6) Please read the complete terms of our Privacy Policy carefully, before submitting your application for the opening of a trading account with us. You acknowledge that by signing this Agreement you become bound by the terms of our Privacy Policy as set out in our website,
 - 7) While processing your data we shall ensure, at all times, that such persons that will access or know the data have in place data protection measures equivalent to those imposed upon us by applicable data protection law to protect your personal information.
 - 8) You authorise us, or our agents acting on our behalf, to carry out such credit and identity checks as we may deem necessary or desirable. You acknowledge and agree that this may result in your personal information being sent to our agents, who may be within or outside the European Economic Area. You agree that we will be permitted, if so required, to furnish relevant information concerning you or your account to any person who we believe to be seeking a reference or credit reference in good faith. In the event that we are (a) subject to negotiations for the sale of our business (whole or part of); or (b) sold to a third party or undergo a reorganisation, you agree that any of your personal information which we hold may be disclosed to such party (or its advisors) as part of any due diligence process for the purpose of analysing any proposed sale or re-organisation or transferred to that re-organised entity or third party and used for the same purposes as you have agreed to under this Agreement.
 - 9) Where we send you marketing communications, we will either do so as it is in our legitimate interest or we have obtained your consent by requiring you to “opt in” to receive such communications. You may withdraw or vary this consent at any time.

30 / Severability

- 1) If any of the terms of the Agreement are found to be unenforceable or invalid, such unenforceability or invalidity will not affect any other part of the Agreement (or the remaining portion of the affected part as the case may be), which will remain in full force and effect.
